Von Bettye Griffin : A Love of Her Own (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised A Love of Her Own (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. An Outstanding Story! Von B. J. Woodbury This is a pure illustration for all the women in the world who are facing infertility, a must read story by Ms Griffin. Ava is faced to come to terms with this major issue when the man of her future, Hilton White, comes into her life. As this relationship develops, she is forced to come to grips with dealing with her problem. The supporting characters of this story helps tremendously, finally allowing Ava to not only gain the

courage to accept her infertility but finds the blessing of love brings her a lot more than she even imagined. We had not heard from Bettye Griffin since "At Long Last Love", and the wait was well worth it as she puts her heart into this special story. Thanks for showing us the courage this woman endures by fighting the issues of infertility. 0 von 0 Kunden fanden die folgende Rezension hilfreich. WOW Von Karen Cunningham This book captured it all. A means for all people to relate. Ava's character was that of any caring human being. She was able to love without being bitter over her own circumstances. A true romance teaches and Ms. Griffin's book does that. I have always stated that I only liked reading historicals. Contemporary books usually sit on my shelf waiting to be read. What a treat to pick up this book and not be able to put it down. Ms. Griffin your book should be marketed as a pick me up for when you're feeling down. If you want humor it's got it, if you want facts, it's got it and if you want love, BOY does it have. If you like to read your romance with realistic pictures of love. This book is for you. 0 von 0 Kunden fanden die folgende Rezension hilfreich. A compelling and thoughtful treatment. Von Ein Kunde A Love Of Her Own is a refreshing entry to the Arabesque line from relative newcomer Bettye Griffin. Avid fans of the multicultural will remember Ms. Griffin's first book, At Long Last Love which was her wonderful debut novel. This one is also set in Florida, but it shows another side of Ms. Griffin altogether. She shows real versatility as an author and has created a story that is timely, thought provoking and realistic without losing any of the tender romance that is a hallmark of the Arabesque line. This is a book that you will not want to miss! I recommend it very highly as well as its predecessor, At Long Last Love. You will be very glad you have made the acquaintance of Ms. Griffin

Kurzbeschreibung In this updated, revised eBook version of Bettye Griffin's classic novel originally published in 1999 Ava Maxwell has made a career out of helping other people with their dreams as the leading wedding planner in the trendy but troubled city of Palmdale, Florida. She cherishes the thought of starting a marriage and creating a family knowing that for her, the reality was painfully different. Ten years before Ava walked out on her marriage when she and her ex-husband received the devastating news that she would never be able to have children the one thing her ex wanted most. The intervening years have been marked by aborted relationships and by clinging to the belief that she will finally be able to claim happiness once she reaches the point in her life where she would not be expected to bear children but she's only thirty-five years old and lonely, and that certain age is still a good ten years away. Then, in the same remarkable evening, Ava encounters both an eight-year-old purse snatcher and an exciting new man in town. Alliances are formed, bonds are created that soon deepen into something more special than she's ever known. Could these two males be the key to her attaining A Love of Her Own?
