Von Maureen Howard : A Lover's Almanac: A Novel before purchasing it in order to gage whether or not it would be worth my time, and all praised A Lover's Almanac: A Novel:

KundenrezensionenHilfreichste Kundenrezensionen0 von 2 Kunden fanden die folgende Rezension hilfreich.
Absolutely wonderfulVon Nathan OatesIt is shocking to come across a writer so wonderful and yet so unknown to most readers. This is surely one of the great books of the past 25 years. There are times, when attempting to describe a

book, that words absolutely fail in relaying the complex beauty of the work. The prose is perfect, inventive, expansive, brilliant. It restores a sense of time to our contemporary age that so likes to imagine itself cut adrift. If Howard had a million readers, the world would be a better place.

Kurzbeschreibung One of the preeminent novelists of our time, Maureen Howard dazzles us with a love story of radiant intelligence and delicious wit. The exhilarating flights and emotional depths of Howard's storytelling balance the fates of two young lovers in New York: Artie, a bastard, perhaps "begot in the mud of Woodstock," now a boyish computer wizard; and Louise, a hot new painter out of the Midwest, seriously committed to her art. Their romance, seemingly shattered on the eve of the millennium, is played out against the tale of two old lovers lost to each other for a half century. As these two couples search through the cultural flotsam and jetsam for love and happiness, Howard spins a superb novel of ideas and transforms, as only she can, the dear Old Farmer's Almanac into a bright book of life.
