again. Can't wait to read the next book in this series!

KurzbeschreibungA Senses and Sensations Story Just off work one wintery evening, EMT Jack Waters comes across a blazing building, and he sets out to do his job. A day later he wakes up in a hospital, suffering from severe burns. For a man who values his beauty, the injury is devastating. But Jack hardly has time to process what's happened. Waiting by his bedside are his cop ex-boyfriend, Kevin Thompson, and his fireman rescuer, Luke Kennard, who both seem determined to compete for his attention. Jack pushes Kevin away, fearing the man will want nothing to do with him now, and seems to be proven right when Kevin leaves without a fight. The scene is set for seductive, playful Luke to begin a flirtation with Jack, soothing his fragile ego. When new fires break out all over town, targeting rescue personnel, clues point to someone close to Jack. He survived one fire, but he might not be so lucky next time. For it seems he is pursued by a relentless foe. If he isn't careful, the flames will reduce him to ashes unless the love of two men burns him first.
