For fans of finding a second love, this is a great romance. The way Showalter writes this story, it's hard not to be okay with how everything turns out. Series fans: Prepare yourself for a bittersweet taste of old and new loves." -RT Book s"A Mad Zombie Party is the fourth installment of The White Rabbit Chronicles and is sure to please fans and find new readers as this epic adventure continues. Inspired by the classic Alice in Wonderland, The White Rabbit Chronicles series features romance, high-action zombie slaying, and shocking twists that will leave readers gasping for more. This is not your mother's Alice in Wonderland." - Hypable.comKurzbeschreibungThe battle rages on.Ali Bell and Cole Holland's crew of zombie slayers thought they'd won the war against Anima Industries, the evil company responsible for capturing and experimenting on zombies in an effort to discover the secret to immortality.
