Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. excellent romance that highlights the multiple types of love Von Ein Kunde At the Medicine Hat Stampede, local favorite widower Tom Bennet is severely injured during the competition and rushed to the nearby hospital. His oldest child, eleven-year-old Kelly, manages to fool his father's friends into thinking they had someone to watch over her and her four-year-old brother Casey. Instead, the two little children stay inside their father's van parked in the hospital's lot. Working in obstetrics is Dr. Lila Madsen, who once loved Tom with all her heart. However, he chose the rodeo over settling down with her. She went on to marry and divorce someone else. When she learns Tom is in the ICU, Lila visits him. He pleads with her to watch over his children while he recuperates. She finds Kelly and Casey, and takes

them to her home where they miraculously bring her grieving father back to life. As Lila falls in love with his children, she knows she still loves Tom. He reciprocates. Since fate has given them a second chance, this time she vows nothing will keep them apart. Readers of category romance will relish Margot Dalton's newest tale, *A MAN I USED TO KNOW*. The crisp story line demonstrates to the audience that there are many kinds of love, all of which are important. Lila and Tom are a wonderful duet, but it is the myriad of well-developed support characters and the Alberta location that makes this a must read for sub-genre fans. Harriet Klausner

Kurzbeschreibung **LOVE THAT MAN** Some things don't change: Dr. Lila Marsden is on duty when Tom Bennet is brought into Emergency. She recognizes him at once as a national rodeo champion and the man she used to love. He's still living the dangerous life of the rodeo cowboy. Some things do: Tom's a single father now, and his children need a place to stay while he recuperates. Against her better judgment her recently widowed father won't appreciate the intrusion. Lila takes them in. The kids are thrilled to be in a "real" home. And they seem to be helping Lila's dad get over his sadness. Some things should: Despite the fact that Lila and Tom still have feelings for each other, he's determined to rejoin the rodeo although the rodeo was what drove them apart. But Lila's equally determined not to let the same old argument keep them apart.
