Von Eileen Dreyer : A Man to Die For (A Suspense/Thriller) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Man to Die For (A Suspense/Thriller) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 1 Kunden fanden die folgende Rezension hilfreich. Smart, tough, funny heroines...I adore Dreyer's books!Von McfynnanDreyer knows how to write suspense with a dash of romance and a heaping tablespoon of sarcastic humor. Her heroines are women I admire who have fully rounded

personalities and unique characteristics. The characters are odd, endearing or one's you love to hate. Keep it up, please, Eileen Dreyer!

KurzbeschreibungSt. Louis Trauma nurse Casey McDonough thinks her life is interesting enough. Her best friend still drops acid, her ex-husband is a cross-dressing psychiatrist, and her mother has turned the third floor of the family home into the Chapel of Eternal Vigilance. Then, things begin to really go wrong when OB/Gyn Dr. Dale Hunsacker arrives. Handsome, wealthy and charismatic, the good doctor is enchanting the patients of the St. Louis hospital. But, Cassidy believes he is a serial killer. And the only person who takes her seriously, is Hunsacker himself. Caught in a spiral of suspicion and intimidation, Casey approaches ex-Marine, ex-Jesuit homicide sergeant Jack Scanlan for help. All she has are hunches for proof, but she'll do anything to stop the monster walking the halls of her hospital. AWARDS: RITA Winner Romance Writers of America Nominated, Anthony Award in mystery REVIEWS: "A wicked prescription guaranteed to give you sleepless nights." ~Nora Roberts "Eileen Dreyer creates the sort of skin-crawling suspense that will leave readers looking with a wild and wary eye upon anyone at the other end of a stethoscope." ~Elizabeth George OTHER ROMANTIC SUSPENSE/THRILLERS by Eileen Dreyer: Nothing Personal Brain Dead Bad Medicine If Looks Could Kill ABOUT EILEEN DREYER: New York Times bestselling author Eileen Dreyer has been inducted into the Romance Writers of America Hall of Fame, nominated for the Anthony Award and is a retired trauma nurse. Also trained in forensic nursing and death investigation, Eileen doesn't see herself actively working in those fields, unless this writing thing doesn't pan out. From Publishers Weekly Dreyer, a veteran romance novelist (Hotshot one word/pk, under the pseudonym Kathleen Korbel) and former nurse, levels a roguish sense of humor at the medical establishment in this entertaining romantic thriller. When handsome, charismatic gynecologist Dale Hunsacker breezes onto the St. Louis, Mo., medical scene, he enchants patients and hospital staff alike. But Casey McDonough, an emergency room nurse, doesn't buy "his familiarity or his greasy smiles or his control games with his patients." A nurse disappears and another is killed, and Casey wonders if it is only a coincidence that both of them had quarreled seriously with Hunsacker. When a prostitute is murdered and it develops that the good doctor knew this woman as well, Casey takes her speculations to the police. Personable but overworked homicide sergeant Jack Scanlon receives her coolly; after all, Casey has no proof, only hunches directed at an inconvenient target: Hunsacker is respected, wealthy--and friends with the mayor. Meanwhile her fears are confirmed in a terrifying way: Hunsacker subtly hints that he knows exactly what she suspects and that he will be a dangerous adversary as she seeks evidence of his guilt. Copyright 1991 Reed Business Information, Inc. KurzbeschreibungSt. Louis Trauma nurse Casey McDonough thinks her life is interesting enough.
