Holly Won't Let Him Get Away With It!Von Ingrid Stephanie JordanTitle : A Man Worth Fighting For Wiccan Haus Book #2Author : Sara DanielReviewed by : Stephanie Jordan The Wiccan Haus Series is written by different authors Ms.

Daniel who is a new author for me as I have never read any of her books, writes book #2 about Wiccan Haus Resort and Spa. Justin Lawson is a military man in it for life fighting Rogue's and Paras. His last mission was sabotage, he was shot point blank in the middle of his kneecap which shattered. The doctor said he has to quit the military because he will be walking with a limp. Basically Justin was a loner he really didn't trust easy but he trusted Corporal Tom Smith who came to his hospital room to let him know a man on his team shot him and they needed to protect him. Of course Justin's ego took over and he would just stay in a hotel, but Tom told him about Wiccan Haus Resort and so he went there. Holly Walter has been dating Justin every few months or so when he came into town. And then she gets a text message "I don't want to see you anymore, sorry" Hah no way was she expecting this, rude text and disrespectful text. With here mind made up she tracks him down to the resort where Holly proceeds to make reservations. Ohhh will he be surprised when she confronts him. I was gifted this ARC for an honest and truthful review.

Kurzbeschreibung He has nothing left to offer. She's determined to show him how much he's worth. Shot by a member of his elite military team, Justin Lawson goes into hiding, cutting all ties with his girlfriend to keep her safe from the traitor whos hunting him down. With his body shattered, he no longer has anything to offer her anyway. Holly Walters refuses to accept her boyfriends out-of-the-blue rejection without an explanation. Intent on seeking closure, she tracks him to the Wiccan Haus. Once there, she is drawn to help him heal his broken body and spirit, even though she knows she has to let him go. The rogue assassin catches up to them, but this time Holly is in his crosshairs. Before Justin can make her believe hes a man worth fighting for, theyll have to fight for both their lives.
