Von Kimberly Van Meter : A Man Worth Loving (Mills Boon Cherish) (Home in Emmett's Mill, Book 2)

before purchasing it in order to gage whether or not it would be worth my time, and all praised A Man Worth Loving (Mills Boon Cherish) (Home in Emmett's Mill, Book 2):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Kimberly Van Meter's stories always brings out the warm-fuzzies in me.Von Detra FitchFed up with her snobby Manhattan family and their elite circle of fake friends, Aubrey Rose decides to move to Emmett's Mill, California. With her degree in child psychology, a minor in child development and experience as a nanny, finding a position should not be difficult. Since Aubrey has always preferred to earn her living, the allowance from her father is in a savings account or carefully invested. So Aubrey can get by until she finds a position she likes.During a Quilters

Brigade meeting, Aubrey meets Mary Halvorsen. Mary informs Aubrey that her son, Samuel "Sammy", is in need of a nanny. Sammy's wife died six months ago while giving birth to their son. Sammy is still grieving and finds it hard to even look at his new son, Ian, much less care for the baby. When Aubrey goes with Mary to meet Sammy, she is appalled. Sammy is obviously nursing a major hang over. Drinking to oblivion and chasing skirts is almost a nightly ritual of his. Aubrey is about to refuse the nanny position when one of Mary's daughter-in-laws walks in with Ian, after caring for the toddler all night. Aubrey realizes Sammy is a "silly, self-absorbed idiot who didn't know how lucky he was." Unable to bear the thought of leaving Ian with his father, Aubrey accept the position. As she comes to know Sammy, Aubrey finds herself attracted to him. As Aubrey tries to make Sammy snap out of his grief and bond with Ian, she also has the displeasure of finding her mother and sister on her doorstep. Seems Aubrey's father has decided to stop allowances for the three of them. Unlike Aubrey, her mother and sister have saved nothing. Things become worse when Aubrey finally manages to get a return phone call from her father. ***** FIVE STARS! There is so much going on in this story. I left out quite a few problems and sub-plots. I never found myself growing bored at any time. The character of Aubrey is strong willed, yet with a soft heart, especially toward children. I could not help but admire her and cheer her on during rough situations. As usual, all the characters are fully developed and the story is well written. I would like to hear about Aubrey's sister again in the future too. If you are looking for a good and entertaining book, this is it! Kimberly Van Meter's stories always bring out the warm-fuzzies in me. *****Reviewed by Detra Fitch of Huntress Reviews.

Kurzbeschreibung Aubrey Rose can't stand Sammy Halvorsen when they first meet. It's only because she's a sucker for a sweet baby that she agrees to be a nanny to his infant son. She gets that Sammy's in pain, but he's so busy burying his sorrow he's forgotten to be a father. As she comes to know Sammy, however, she starts to fall for him. So how can she make him see that his child needs him? And when he does, will he still need her, too? Kurzbeschreibung Aubrey Rose can't stand Sammy Halvorsen when they first meet.
