Who Had The Healing Touch?Von Ingrid Stephanie JordanTitle: A Mates Healing TouchA Black Hills Wolves StoryAuthor: Merryn DexterReviewer: Stephanie Jordan#Paranormal #WolfShiftersI love Black Hills Wolves, I've

tried to read everyone. There are many talented authors who have written the Black Hills Wolves. Some new authors that are my first time to read. Merryn Dexter is one such author and I definitely not disappointed, SCORE another great author for me. Hannah Fuente a waitress in the small town, Hennessey, S.D., where she has lived a hard life, when she was seventeen she trusted someone with her secret, only to have him beat her and left for dead, as that wasn't enough he impregnated her. But her daughter, Jessie was her life now and no one would hurt her little girl, not even the preacher who spewed his beliefs of her. Caleb Burrows and his brother, Conner worked in the family business, though his parent's wanted to pack up and move back to Los Lobos to be with their Pack under the new Alpha Drew Taos, whose father was the Alpha they escaped from the horrific terror years before. Caleb being sent to Hennessey, to check the plumbing job at a diner, he was talking to the owner, only to have a smell hit him, barely able to stay in control, his wolf clawing to get out, screaming MATE!! I was gifted this ARC for an honest and truthful review. MUST READ-CAPTIVATING SIZZLING ROMANCE Von midniteinkA MATE'S HEALING TOUCH- A fascinating romantic story filled with family love. This story features Hannah, a curvaceous, fiery brown-eyed beauty with a secret; Caleb; a heart-melting gorgeous, charismatic powerful wolf-shifter; Jessie, Hannah's cute daughter. What you'll find in this story; a cast of remarkably impressive and engaging characters, superb banter, spectacular story-line, dynamic vivid scene descriptions, pent-up rage, gripping suspense, abduction, jaw-dropping heart-pounding sensual romance, and a magnificent conclusion that soothes the soul. Hannah has horrific past memories that haunt her. Her loving surrogate parents treat her and Jessie as their own. As a single mom working as a waitress she has not dated or been with a man in years. When Hannah meets Caleb she is catapulted into a whole new world. FANTASTIC well written creative read by a truly gifted author. The fusion of authenticity and fantasy make this story quite impressive. The interaction between the characters is astounding as they spring to life with the plot, passion and vivid scene descriptions. I adored Jessie, and loved how Caleb's family and Hannah's became one family unconditionally. The chemistry between Hannah and Caleb is unwavering and their romance sizzles. I relished this story; a most gratifying read. If you treasure shifter romance with a touch of suspense this is an excellent book for your library. {I received a copy of this book for a completely honest review}. In the world of shifter romance the possibilities are endless and always fascinating. Without reservations I highly recommend this book.
