Von Sarah Pinborough : A Matter Of Blood: The Dog-Faced Gods Book One (The Dog-Faced Gods Trilogy) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Matter Of Blood: The Dog-Faced Gods Book One (The Dog-Faced Gods Trilogy):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Ein

guter Beginn - aber eben nicht mehr Von Martin O'Donoghue Der Roman msste an sich eine breite Gruppe an Lesern ansprechen: solche die police procedurals mgen; solche, die ihre Helden eher hard-boiled lieben; solche, die Verschwörungstheorien gerne haben (und auch entsprechend in Serien a la Akte X und Fringe geschult sind). Aber irgendwie finde ich es schade, dass es heutzutage einfach nicht mehr mglich scheint, eine Geschichte innerhalb eines einzigen Buches abzuhandeln. Ich wrde mich ziemlich rgern, htte ich mir nur dieses Buch und nicht gleich die anderen Teile der Trilogie dazu gekauft. Denn die Story ist spannend (vor dem Hintergrund einer darnieder liegenden Wirtschaft, die von einem Bankengebilde dominiert wird, ereignen sich mehrere, auf den ersten Blick nicht zusammenhngende Verbrechen), wenngleich ein wenig klischeehaft (natrlich ist der Held ein gebrochener Polizist mit all den Fehlern, die heutzutage dazu gehren - Drogenkonsum, Korruption und Fremdgehen), sie endet aber bestenfalls an einem Zwischenpunkt, der in etwa dem Cliffhanger am Ende einer Season im TV entspricht. Was dem Autor dabei gut gelingt ist aber dennoch die Lust auf mehr und die Neugier zu wecken. Die bernatrlichen Elemente lassen (noch) viele Entwicklungsmglichkeiten zu, stehen aber trotzdem nicht zu sehr im Vordergrund, um das Buch in das reine SF oder Horror-Genre zu drngen. Fazit: lesenswert - ich hoffe aber, dass die beiden anderen Teile den Spannungsbogen halten und an Tempo noch etws zulegen knnen.

Kurzbeschreibung The recession has left the world exhausted. Crime is rising; financial institutions across the world have collapsed, and most governments are now in debt to The Bank, a company created by the world's wealthiest men. But Detective Inspector Cass Jones has enough on his plate without worrying about the world at large. His marriage is crumbling, he's haunted by the deeds of his past, and he's got the high-profile shooting of two schoolboys to solve - not to mention tracking down a serial killer who calls himself the Man of Flies. Then Cass Jones' personal world is thrown into disarray when his brother shoots his own wife and child before committing suicide - leaving Cass implicated in their deaths. And when he starts seeing silent visions of his dead brother, it's time for the suspended DI to go on the hunt himself - only to discover that all three cases are linked ... As Jones is forced to examine his own family history, three questions keep reappearing: what disturbed his brother so badly in his final few weeks? Who are the shadowy people behind The Bank? And, most importantly, what do they want with DI Cass Jones? Pressestimmen A gnarly, involving and atmospheric mystery that explores some very dark territory. It's uncomfortably timely, exceptionally well-written and shows that whatever genre she's working in, Pinborough is yet another author who's well worth keeping an eye on." -- SFX Saxon Bullock "Crime-horror set in an all-too-credible near future." -- Anthony Brown TOTAL SCI FI "A Matter of Blood is a cracking read, never less than thoroughly entertaining and genuinely creepy." BOOK CHICK CITY "This is a realistic (sadly) and engrossing mystery, set in a future that's close enough to touch. A highly recommended new release, and an author to watch." PORNOKITSCH "The book really is enjoyable, and the conclusion is both satisfying and a great teaser for the next volume in the trilogy. With some excellent ideas running through it, A Matter of Blood is definitely worth checking out for fans of both horror and crime fiction, and those who just enjoy a great story." KAMVISION "A Matter of Blood is one of the more successful blends of police procedural, horror and fantasy I've encountered, with an engaging and damaged main character I'd be pleased to follow further. If there's any justice [this] will be her breakout book. LOCUS Werbetext On the hunt for a serial killer, vengeful DI Cass Jones uncovers a dark supernatural conspiracy.
