Von Suzanne Enoch : A Matter of Scandal: With This Ring before purchasing it in order to gage whether or not it would be worth my time, and all praised A Matter of Scandal: With This Ring:

KundenrezensionenHilfreichste Kundenrezensionen4 von 4 Kunden fanden die folgende Rezension hilfreich. Definitely worth reading and keeping.Von InkenA Matter of Scandal is the third book of the With This Ring Series from Suzanne

Enoch. I have read all 3 of them and I really liked them, though I liked the first best. Book cover: Schol For Scandal Miss Emma Grenville, who is no silly debutante, has had her fill of thick-headed noblemen who believe women exist solely to satisfy men. And her arrogant new landlord, The Duke of Wycliffe, is the worst of the lot! The too attractive cad wants to triple the rent on Emma's finishing school for young ladies to help get his uncle's estate out of debt. Well Greydon Brakenridge clearly needs educating- about women. And Emma's just the one to enlighten him! The sinfully handsome duke has never met a woman he couldn't outwit and seduce. And now that he's tricked Emma into a wager, he has the stubborn headmistress right where he wants her- and hopefully, soon in his bed. But the confirmed bachelor underestimates the intelligent and surprisingly sensual Miss Grenville. For she may be leading Greydon to a place neither dreamed they'd ever go- to the altar. Well so far the book- cover- just to get an idea of what the story might be like. I really liked the secondary characters, especially Elisabeth, who is one of the reasons why the academy cannot afford the triple rent. The Duke will find that out. He thinks that the school teaches debutantes to catch husbands and the way he is taught that he is wrong... Well I liked it. It was not as good as the first two but I liked Miss Grenville. The main characters of the last two books also appear in this book, as did Miss Grenville in the other two. Have fun! It is definitely worth reading. Have you tried Julia Quinn? It is about the same direction and very good.

Kurzbeschreibung Suzanne Enoch's sparkling talent makes each book witty, romantic, and always an eagerly anticipated pleasure. Christina Dodd A much-loved classic from the phenomenal Suzanne Enoch, *A Matter of Scandal* is a delightful showcase of the wit, style, and passion that have made this New York Times and USA Today bestselling author a historical romance star. In this delectable Regency romp, a lusty duke with a well-earned reputation for seduction tricks the beautiful headmistress of a girls finishing school into a wager she cannot possibly win only to have his own unsuspecting heart won by the clever, resourceful lady. Julia Quinn fans, this *Scandal* is for you! Read it and see why bestselling author Karen Hawkins has called the novels of Suzanne Enoch, romance the way it was meant to be written.. deLovely Emma Grenville is the headmistress of Miss Grenville's Academy, a contented spinster, and firmly on the shelf--or so she believes until Greydon Brakenridge, the Duke of Wycliffe, arrives in west Hampshire and threatens to raise her rent and close down her school. He's handsome, intelligent, and thoroughly exasperating, for he believes the academy is nothing more than a "marriage factory" to train young girls to become simpering, clinging ninnies without an original thought in their heads. Greydon is determined to seduce the lovely Miss Grenville, and Emma, although powerfully attracted to the Duke, is just as determined to teach him a lesson about the intelligence of women. Before Emma and her students are done with Greydon Brakenridge, he will have an entirely new respect for educated women. And before Greydon is done with Emma, he will have stirred up a scandal that even his powerful position may not be able to resolve. *A Matter of Scandal* is a delightful Regency romp, sprinkled with charming secondary characters both hilarious and endearing, and with a hero and heroine whose romantic escapades and witty dialogue add up to an excellent tale that will please readers everywhere. --Lois Faye Dyer.co.uk In Suzanne Enoch's *A Matter of Scandal*, lovely Emma Grenville is the headmistress of Miss Grenville's Academy, a contented spinster, and firmly on the shelf--or so she believes until Greydon Brakenridge, the Duke of Wycliffe, arrives in west Hampshire and threatens to raise her rent and close down her school. He's handsome, intelligent, and thoroughly exasperating, for he believes the academy is nothing more than a "marriage factory" to train young girls to become simpering, clinging ninnies without an original thought in their heads.
