Von Terri Brisbin : A Matter of Time (MacKendimen Trilogy Book 3) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Matter of Time (MacKendimen Trilogy Book 3) (English Edition):

Kurzbeschreibung A man conceived in the past and living in the present. . . A woman in need calling him back. . . Where and when does his destiny lie? Current Day. . . Douglas MacKendimen grew up listening to his parents fantastical tales of their journey to the past and has never believed a word of it. Caught up in the stressful world of practicing medicine, the strange dreams during restless nights should not surprise him but the woman calling to him does. The dreams intensify as he returns to Scotland for a family gathering. Dunedin, Scotland, 1370 Caitlin, daughter of the MacKendimen Clan healer, has even greater abilities than her mother and can heal with only her touch. Her power is growing as she tends to her kith and kin, but is drawn to a man in her dreams. When he appears and saves her life, she believes they are meant to be together. The truth that he is from the future and must return destroys all her hopes. She cannot abandon her clan to be with him and he must leave. Secrets of the past and future threaten to destroy them as Douglas and Caitlins love grows. When the fates are against them, its just a matter of time before they will be forced to choose whether to follow their hearts desires or to remain apart forever. This full-length romance novel was previously published in print by Berkley/Jove in 1999 and is now revised and re-released in digital formats by the author.

Autorenkommentar A Matter of Time -- a sequel to A Love Through Time I am pleased to announce the release of my second book, A MATTER OF TIME, which will be available in November 1999. Best-selling author Jill Barnett said that it is "a timeless tale of faith and hope that will make you believe in love again." This is a sequel to my first MacKendimen story, A LOVE THROUGH TIME, and tells the story of Douglas MacKendimen and Caitlin MacInnes. In a time-travel romance about a man who was conceived during his parents extraordinary adventures in the past, Douglas is called back to face his destiny. He falls in love with Caitlin in 1370 Scotland and must challenge the Fates to claim the woman of his dreams and the love destined through time. I hope readers will enjoy this next story about the MacKendimen clan of Dunedin, Scotland.
