Traincrash-Survival at ChristmastimeVon Petra PfaffenbergerThis story is about Lizzy, the daughter of Holt McKettrick. She was in an girls boarding school for some years. In the year 1896 she and her fiance Whitley are on the train to the Tripple M Ranch of her family. But suddenly there is crash - an avalanche burried the rails and half of their train.Some of their co-travelers are injured, but thankfully there is also a doctor on the train. While Lizzy and the doctor take care of them and their situation, her fiance Whitley is whining and hysterical. Lizzy comes to think of her

future life with this whining and cowardly Whitley on her families ranch. On the other side there is this doctor with his practical sense and his cautious way. Lizzy begins to feel more and more for him. But what about Whitley? In the meantime there is also this problem with the avalanche and basic survival the freezing cold. Would there be a rescue team searching for them? First of all I would like to mention, that I am a big McKettricks Fan. Most of all I love the historical McKettricks. So I looked forward to the story about Lizzy McKettrick. It is definitively a nice story, more so at Christmas time. BUT: I think its much to short. The reader never gets the feeling of the desperate situation on this train. Whitley is a cranky guy and I cannot understand why Lizzy thought she loved him in the first place. And the doctor? He is too good to be true. If you have read the other McKettrick stories you will get this book because you must not miss a lifespan of any McKettrick.

Kurzbeschreibung Lizzie McKettrick is coming home for Christmas. And Indian Rock's new schoolteacher has a surprise in store for her family a special young man, Whitley Carson. He might seem a little too interested in the McKettrick money, but Lizzie's certain Whitley cares for her deep down. Yet fate has a surprise of its own for Lizzie: Dr. Morgan Shane. When their homebound train is halted by a massive avalanche, injuring and stranding its passengers, the handsome doctor takes charge with Lizzie by his side. Despite their growing bond, Lizzie and Morgan know time is running out. With another avalanche looming and the train's food supply dwindling, it's going to be a bleak Christmas Eve. But with faith, hard work and a little extra help from a most unexpected source, they just might find their way home to celebrate a McKettrick family Christmas after all.
