**Von Bertrice Small : A Memory of Love** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Memory of Love:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.

Enjoyable Story Set in a Little Known Corner of History! Von Deb Strubhart The best thing about this new book by my favorite author is that it's not a sequel! We romance readers seem to be inundated with sequels and trilogies lately. Not that I don't like to revisit my favorite characters and their further adventures; however, sometimes a really good epilogue can answer many questions and give us satisfying closure. In *A MEMORY OF LOVE*, Ms. Small introduces us to Rhonwyn, the bastard daughter of Llywelyn who is the Prince of Wales. The book starts out in 1257 which is a wild and harsh time for Wales, and England for that matter. She becomes more warrior princess than lady of the manor, and during the whole story line she either revels in her military-like character or struggles to control it in order to appear to be a Christian noble lady. She is a strong and enjoyable heroine, and I wasn't trying to imprint Skye O'Malley's essence on her as I have, to be honest, Jasmine, India, and Fortune. The harem episode may be repetitive, but I found some new and different aspects of it in this book. I do have to say I wish we had been introduced to Rafe sooner in the story, and I also wish his character had been more developed. He seemed likable, but a bit weak next to Rhonwyn. The secondary characters of the abbess and Glynn were very strong and satisfying. I read the book very quickly and I was sorry when it was over. I would have enjoyed more of the story or one of those great epilogues. I would also like to add that I appreciate Ms. Small not going to expensive hard backs for her first editions. I really do like the over sized paper back style; and it's more consumer friendly to a romance-aholic like me. Thanks, Bertrice!

0 von 0 Kunden fanden die folgende Rezension hilfreich. hot erotic romance Von Ein Kunde Late in the thirteenth century, as part of a peace treaty with King Henry, the Prince of Wales Llywelyn of Gruffydd agrees to have his daughter wed an English knight. However, his daughter, Rhonwyn grew up amidst soldiers with no female presence. She is a fine warrior, but far from an acceptable lady. Still Rhonwyn does her duty and marries Edward de Beaumont. He earns her trust and ultimately her love by his actions towards his people and her brother. When he goes to North Africa on a crusade, Rhonwyn comes too. When Edward becomes ill, she leads his men into battle only to become the prisoner of the Emir of Cinnebar, who teaches her sexual passion. As she learns how to please a man, Rhonwyn wonders what awaits her if she ever escapes and returns to England and her beloved Edward. *A MEMORY OF LOVE* is an entertaining medieval romance filled with erotic love. The crisp story line centers on the relationship between Edward and Rhonwyn, but is interrupted by the author's trademark harem scene that adds nothing to the plot. Overall, Ms. Small writes a wonderful historical romance starring two exciting characters struggling to find an everlasting love.

Harriet Klausner 0 von 0 Kunden fanden die folgende Rezension hilfreich. Not as bad as most of her recent stuff Von Jay and Lara Russell It was o.k. Not as putrid as *Bedazzled* ( gag ) or the *Innocent* ( yawn ) but not good enough for a second read. It barely held me thru the first one. The characters were very shallow and formulaic, their motivations were boring and obvious and the plot "twists" could be seen coming a mile away. The main character, Rhonwyn, was raised a tomboy. This is all the explanation into her "personality" you're going to get. Her judgement is atrocious. The men are shallow and forgettable. The "final confrontation" has all the suspense and drama of choosing between beef and pork for dinner. I swear I used to love everything Bertrice Small wrote. The last 5 books she's put out have just been pale shadows of her previous writing. I want descriptions! I want to see the places and people brought to life! I want the histories, the secrets, the motivations, the conflicts and the triumphs of the characters fleshed out, expanded on and explained! I want more than Small's been giving recently. This book wasn't her worst. But it wasn't far from it, either.

Kurzbeschreibung A tale of stunning passion, reckless danger, and the fierce will of a remarkable woman who can wield a sword as powerfully as any man and who dares to fight for her most uninhibited desires. . . . Spirited, iron-willed Rhonwyn is the bastard child of the Prince of Wales, raised more boy than girl, able to ride and fight with the best. Against her wishes, she is married off to an English lord, Edward de Beaumont, who is stunned to discover that his lovely gilt-haired bride is a fiery wildcat with a mind of her own. Slowly, he wins her trust and her heart, and she accompanies him on the Crusades to North Africa. But when Edward falls ill, Rhonwyn boldly leads his troops, only to become a captive of the sensual Emir of Cinnebar, a man who will teach her the ways of erotic love passions that will be put to the test when she returns to England to battle once more . . . this time for the man who rules her heart.
