Nicole Edwards left me needy, craving, wanting again!!!!Von Cassandra5 Million tiny and big stars!!!Where to start on this? First, it's a MUST READ!!!! No matter what I say about it, it won't be enough!After an ugly divorce, Mia is determined to start over. Just focusing on herself and school, she won't allow any distraction. That is until she meets

two hot men she doesn't anything at first. Everything changes at a charity ball and a rearranged sitting order. Phoenix is a man in control. Nothing happens out of order, everything is thought through. After his father died unexpectedly, he is left owning a NHL team. A law suit is pissing him off, stealing his time and nerves. On top of it, he's losing control over his feelings for Tarik - his bodyguard, PR man, close friend. Tarik is the laid back guy, that yet doesn't miss a beat, patient yet frightening for outsiders. He's always cautious with things happening and always one step ahead. He's not denying his feelings for Phoenix any longer and will wait as long as it takes for him to come to terms. The sizzling fire that starts to burn between Phoenix and Tarik makes you smile. When Mia starts to acknowledge her feelings for both men, you start to squirm and turn the pages. When Mia's ex-husband starts to put her in the middle of the lawsuit against Phoenix and throws out dirt, you are sitting at the edge on your seat. Fun surprise dates, close friends that kick your ass to start living a bit and go with the flow, hot, wet-panties, leaving you needy scenes between the three of them in all possible combinations, playful teasing and just doing what feels good for them... Nicole Edwards definitely knows how to write menages! And on top of it, you get this in a great story that makes you anxious of what happens next. I LOVED IT BADLY!!!! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Sexy, hot menage read Von reader Having read already more than twenty books by Nicole Edwards I absolutely loved this story. It makes me sad that it is a stand alone. I loved all of the characters and their honesty. They didn't deny their feelings. Phoenix's mum is a great character, she truly understands and loves her son for who he is and accepts his unusual relationship. The villain is Mia's ex, but his conspiracy driven by greed is revealed easily and although Phoenix is a tough business man himself his reaction is moderate and he is not out for revenge. The book is told in different character POVs, you do get to hear from Mia, Tarik, and Phoenix, all about their insecurities, inner struggles, roller coasters of emotions, hopes, and love for each other. Nicole Edwards pulls the readers right in and takes them along on her characters journey. Her writing is smooth, easy, and as always delivers an intriguing story.

Kurzbeschreibung This is a standalone novel **Erotic Menage Romance Mature Audiences** Mia Cantrell is happy to be rid of her lying, cheating, ex-husband. With her divorce final, Mia is moving on, grasping the reins of life once more. She's learning to deal with the shattered remains while putting one foot in front of the other, taking control of her own decisions, and ultimately living one day at a time. Too bad the universe has put a hiccup (or two) in her well thought out plan. Phoenix Pierce is putting the pieces back together after the death of his father. Between his multi-million dollar company, the NHL team he now owns, and the endless supply of women willing to share a bed for one night of uninhibited sex, he finds himself going through the motions. Until he meets Mia. Although he's on a mission to win her, that doesn't solve his problem of the other person he wants the man he has denied himself for years. Tarik Marx doesn't think anyone could ever fill the void in his life the way Phoenix unknowingly has. That is until he meets Mia. Thanks to a fractured childhood, Tarik has to face a bigger problem: he doesn't know how it feels to be loved. His past adds additional complexity when Tarik finds himself trying to figure out how he can have them both. Is it possible for a million tiny pieces to come together again? And if they do, will that make the bond even stronger than before? **Erotic Menage Romance Mature Audiences** **Note:** This book contains sexual encounters and graphic language that some readers may find objectionable, including, but not limited to m/f, m/m, m/f/m and m/m/f encounters. Contains graphic material that is not suitable for anyone under the age of 18. **Kurzbeschreibung** This is a standalone novel **Erotic Menage Romance Mature Audiences** Mia Cantrell is happy to be rid of her lying, cheating, ex-husband.
