Von Jane Peart : A Montclair Homecoming (Brides of Montclair) before purchasing it in order to gauge whether or not it would be worth my time, and all praised A Montclair Homecoming (Brides of Montclair):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. A Somewhat Dull Conclusion Von Ein Kunde I have read the entire series and have been looking forward to this book. It was O.K. but not Peart's best work. I was confused by what happened after 1945. There is a lot of revisiting of the old brides but I couldn't keep the family tree straight. I don't understand how Johnathan Montrose could be Joy's great-

grandfather and Jeffrey her great-great grandfather when they were stepbrothers. I really didn't like Joy too much, either. She seemed a bit immature and flighty. Evan was too old for her, and I didn't care if they got together. The ending was abrupt and didn't mention the past like I wish it would have. Did any of the books ever mention Kip and Cara's hidden note about getting married! I thought they would this time, but they blew over it. Anyway, it was a conclusion.0 von 0 Kunden fanden die folgende Rezension hilfreich. Montclair Homecoming Von Kevin Shirley Jane Peart has successfully written her fifteenth masterpiece. It is now 1980, the last surviving heir to the Montrose legacy has been found. Joy Montrose is an artist, who never knew of the Montrose legacy. This book is in two parts and each part is well written. You have to read the other fourteen to understand the whole concept. It took me two days to complete the book. It is well worth anyone's time to read these books. If you need direction these books will point you in the right direction. Enjoy!

Kurzbeschreibung When Joy Montrose received her commission to paint a mural depicting the healing miracles of Jesus at Good Samaritan Hospital, she never anticipated forming a close friendship with Evan Marshall. But the bond between the talented young artist and the gifted surgeon has grown, even though their lives are worlds apart. Now, with the family estate falling suddenly and unexpectedly into Joy's hands, she finds herself sifting not only through the memorabilia of generations but through her own heart and aspirations. Is it truly love that she feels for Evan? If so, can she at all reconcile it with the wounded healer's lack of faith in God or with her personal need for freedom to pursue her calling as a painter? In this final book in Jane Peart's beloved Brides of Montclair series, the faith and lives of an American dynasty wind to a poignant, present-day culmination as a young woman struggles with choices of love and obedience that will shape the years to come.
