Von Jen Turano : A Most Peculiar Circumstance (Ladies of Distinction Book #2) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Most Peculiar Circumstance (Ladies of Distinction Book #2):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. zum Entspannen und LachenVon Viel-Lese-MausDie Charaktere sind bezogen, die Geschehnisse eigentlich unglaubwrdig,

aber das ist ganz egal, es macht einfach Spaß die Story zu lesen. Allerdings nicht ganz so gut wie der erste Band "A Change Of Fortune" (und ich habe keine Ahnung, ob man mit der Menge der Charaktere klarkommt, wenn man sie nicht schon aus Band 1 kennt).

Kurzbeschreibung
Delightful Blend of Love and Laughter in Turano's Sophomore Novel Miss Arabella Beckett has one driving passion: to help the downtrodden women of America. Naturally, she supports the women's suffrage movement and eagerly attends rallies and lectures across the country. On her travels, she makes a simple offer of assistance to a young woman in need that goes sadly awry and lands both ladies in more trouble than they can manage. An independent sort, Arabella is loath to admit she needs help and certainly doesn't need help from an arrogant, narrow-minded knight in shining armor. Mr. Theodore Wilder, private investigator extraordinaire, is on a mission. A mission that began as a favor to his good friend Hamilton Beckett, but swiftly evolved into a merry chase across the country. By the time he finally tracks down Hamilton's sister, Arabella, he is in a less than pleasant mood. When the lady turns out to have radical ideas and a fiercely independent streak, he soon finds himself at his wit's end. When they return home to New York, circumstances force their paths to continue to cross, but the most peculiar feelings growing between them certainly can't be love. When the trouble Arabella had accidentally stirred up seems to have followed her to New York and threatens her very life, the unlikely couple must face the possibility that they might have landed in the most peculiar circumstance of all: love.

Buchrückseite
Miss Arabella Beckett, defender of the down-trodden women of America, is returning from her travels in support of the women's suffrage movement when she makes a simple offer of assistance to a young woman in need. But things go sadly awry, and both ladies soon find themselves in dire need of rescue. Arabella, always loath to admit she needs help, is particularly reluctant to receive assistance from the arrogant, narrow-minded knight in shining armor who shows up just in time. Private investigator extraordinaire Mr. Theodore Wilder is on an assignment that began as a favor to his good friend Hamilton Beckett, but swiftly evolved into a merry chase across the country. He is already in a less than pleasant mood, and when Hamilton's sister turns out to have radical ideas and a fiercely independent streak, he's at his wit's end. Much to their chagrin, Theodore and Arabella's paths continue to cross when they return home to New York, but the most unusual feelings beginning to grow between them certainly can't be anything serious. When the trouble Arabella accidentally stirred up in her travels follows her home and threatens her very life, the unlikely couple must face the possibility that they might have landed in the most peculiar circumstance of all: love. This madcap battle of the sexes is the sequel to Turano's hilarious *A Change of Fortune* (2012), and it is perfect for any reader who enjoys stories bubbling with humor.-- Booklist [Starred] "Turano's second novel is a laugh-out-loud, charming historical romance with witty, sweet characters. Her amazing stories are believable and will remain in the hearts of readers long after the end of the book." --RT Books
