**Von Darrah Glass : A Most Personal Property (Ganymede Quartet Book 1) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Most Personal Property (Ganymede Quartet Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.  
GoodVon JayThis book is nicely written. The topic, idea behind the story, is interesting. It is not entirely about sex

which I appreciate. It starts off with a nice storyline, the sex part only coming in in the middle to last half. Henry's thought process is cute and lovely done. The historical facts that are included in the story are interesting and give the story a nice touch. All in all I do recommend it.

Kurzbeschreibung In the heat of August 1900, Henry Blackwellrich, handsome, and painfully shy anticipates the purchase of his companion slave, that most personal of properties, with equal parts excitement and dread. There are limits to what a gentleman might do with his slave and still remain a gentleman, and what Henry craves goes far beyond whats allowed. Martin, a slave from House Ganymede, is the most beautiful young man Henrys ever seen, and hes ready and willing to do as Henry commands, but Henrys afraid to ask him for what he really needs. A master neednt care what a slave thinks or how he feels, but Henry cant help wanting Martin to like him anyway. If Henry could be certain Martin wanted the same things he does, he might be bold enough to reveal his secrets. Unfolding against a backdrop of progress, privilege and turn-of-the-century amusements, the four installments of the Ganymede Quartet present an erotic coming-of-age fantasy of Gilded Age New York in which young men from the richest families form intense bonds with the slaves who serve them.
