Von Agatha Christie : A Murder is Announced (Miss Marple) (Miss Marple Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Murder is Announced (Miss Marple) (Miss Marple Series):

Kurzbeschreibung Agatha Christies most ingenious murder mystery, reissued with a striking cover designed to appeal to the latest generation of Agatha Christie fans and book lovers. The villagers of Chipping Cleghorn, including Jane Marple, are agog with curiosity over an advertisement in the local gazette which reads: A murder is announced and will take place on Friday October 29th, at Little Paddocks at 6.30 p.m. A childish practical joke? Or a hoax intended to scare poor Letitia Blacklock? Unable to resist the mysterious invitation, a crowd begins to gather at Little Paddocks at the appointed time when, without warning, the lights go out. Pressestimmen Agatha Christie gave readers the world over a vivid sense of English life, especially in her depiction of the small village where nothing happens until, of course, a murder is discovered. (Jacqueline Winspear, New York Times bestselling author of the Maisie Dobbs novels) Pressestimmen 'Establishes firmly her claim to the throne of detection. The plot is as ingenious as ever! the dialogue both wise and witty; while the suspense is maintained very skilfully until the final revelation.' A.A. Milne 'As good as Agatha Christie ever wrote.' Robert Barnard 'In her own sphere there is no one to touch her, and her millions of readers are going to buy A Murder is Announced and like it.' Margery Allingham 'A super-smooth Christie -- three neat murders in an English village, [and] an assortment of her famous red herrings, all beautifully marinated.' New York Times Book
