KurzbeschreibungIn Nycole Folks new series of erotica stories, Transforming Craig, a wife starts a journey of sexual awakening that not only transforms her husband but also herself. From a sexless and almost loveless marriage to heights (and depths) of passion and adventure, the unlikely heroine is guided on her journey by a wise aunt whose marriage has already been transformed. Follow along an erotic journey of discovery for Barbara and Craig.In Episode Sixteen, things seem to be back to normal after Barbaras devastating affair with Andres, an affair that Craig encouraged and sanctioned but nonetheless threatened to destroy their marriage. Things are back to normal, but when an opportunity presents itself, Barbara once again discovers her newfound freedom is difficult to resist. Her second affair begins, and the confusion seems to start all over again.Here is a preview:Feb 20 barb523@southernopnet.com wroteOh, God. I slept with him, and Id only known him for a few hours when I did. God! What the hell is wrong with me?Feb 20 kpaulson22@freckton.net wroteYou slept with him? You dont even know what he looks like.Feb 20 barb523@southernopnet.com wroteI knew what he looked like before I slept with him, Auntie Karen. Jesus. Its not like I was one of those women in that box with all the holes in it in the sex store. Feb 20 barb523@southernopnet.com wroteActually, I dont feel a whole hell of a lot better about myself than I would if I were one of those women. Jesus. I cant even figure out why the hell I did it in the first place. Fuck.Feb 20 kpaulson22@freckton.net wroteSo what happened?Feb 20 barb523@southernopnet.com wroteIts like I said. I dont know. I mean, God! Ive been going over it since I left the hotel room and came home. I just dont know. I think its like a kid and having rules, you know. We gave the kids boundaries and they knew what they could and couldnt do. So many of the rules came about when the kids would do something like when the twins climbed on the roof of the shed and jumped off it into the kiddie pool. Wed never thought to create a rule about that and it took a trip to the hospital for a fracture for that rule to exist.Feb 20 kpaulson22@freckton.net wroteBauble, I have no idea what youre talking about.Feb 20 barb523@southernopnet.com wroteI mean I lived my life by a pretty clear rule. I belonged to Craig and I wasnt allowed to sleep with anyone else. Craig Feb 20 kpaulson22@freckton.net wroteWhat happened?Feb 20 barb523@southernopnet.com wroteThats what Im trying to tell you. Craig took that rule away, and since he took that rule away I can jump off the fucking shed all I want and I keep breaking my fucking leg.KurzbeschreibungIn Nycole Folks new series of erotica stories, Transforming Craig, a wife starts a journey of sexual awakening that not only transforms her husband but also herself.
