**Von John O'Brien : A New World: Conspiracy (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised A New World: Conspiracy (English Edition):

Kurzbeschreibung A shot taken... A new enemy revealed...Lynn has been rescued from deep within the heart of a night runner lair. The answer why she was taken remains a mystery. Sandra lies in a pool of her own blood ending her desperate measures to draw Jack to her. As Red Team celebrates their joy of Lynns freedom, they are unaware that a sight is centered on them from afar. A bullet tears through the air, streaking their way. Harold discovers information that stuns the small group of survivors and further threatens their fragile handhold on existence. They have overcome one challenge only to find that a new, more dangerous one replaces it. There's more to this new world than Jack ever suspected. With only a single team at his disposal, Greg is sent to continue the search for survivors. Separated from the group and unable to call for help, the small group must journey along lonely and perilous back roads in the hope of finding family members. In the end, Greg must decide between saving others and the safety of his team. Meanwhile, with the crew anxious to get home, Captain Leonard sails down the western seaboard to search for answers as he struggles to come to grips with the world. The group tries to stay one step ahead but there's trouble infiltrating from the north. And Michael is stirring from within the depths of his lair. The winds of change are blowing

ber den Autor und weitere Mitwirkende John O'Brien is a former Air Force fighter instructor pilot who transitioned to Special Operations for the latter part of his career gathering his campaign ribbon for Desert Storm. Immediately following his military service, John became a firefighter/EMT with a local department. Along with becoming a firefighter, he fell into the Information Technology industry starting two large casinos in Washington as the Information Technology Manager and becoming the Network Manager for the Washington State Legislature, the Northwest Information Technology Manager for the Federal Aviation Administration, and the Network Systems Manager for Hollywood Video. Currently, John is writing full-time on the series, A New World. As a former marathon runner, John lives in the beautiful Pacific Northwest and can now be found kayaking out in the waters of Puget Sound, mountain biking in the Capital Forest, hiking in the Olympic Peninsula, or pedaling his road bike along the many scenic roads.
