who can read the titles of the books. A good book to read on a winter evening by the open fire place and a hot drink, very relaxing! 0 von 0 Kunden fanden die folgende Rezension hilfreich. FUN! Von Jeanne Adamek The flow of the story was terrific. The characters superbly depicted, so much so that I felt like I was in the same room with them as I was reading! I especially enjoyed Robert and hope to see a whole lot of him in the following books in this series. A bookstore with its own cat (named Hamlet, no less) that is very connected to solving the mystery of "who did it" this book is definitely a "must read" for cozy mystery readers. Recommended! 0 von 1 Kunden fanden die folgende Rezension hilfreich. GREAT JUST Von Silverbluezebra exciting and realistic story, for all lovers of mysteries, cats, and everyone who enjoys a great book written by a knowledgeable author

Kurzbeschreibung Darla Pettistone may have inherited her great aunt Dees Brooklyn bookstore, but it's the store's mascotan oversized black cat named Hamlet who acts like he owns the place. And when someone turns up dead, Hamlet smells something rotten in Brooklyn. As the owner of Pettistone's Fine Books, Darla is settling nicely into her new life, even reaching an uneasy truce with Hamlet. Unfortunately, when she needs to hire a new clerk, the finicky feline decides to lend a paw to the hiring process. He chases away applicants who don't meet his approval, finally settling on an unlikely candidate: Robert, a book-loving Goth kid who has a secret only Hamlet knows. And Hamlet can't seem to stay out of trouble. One of the bookstore's regular customers, a man who is renovating a local brownstone, claims he's seen Hamlet prowling the neighborhood. When the man's business partner is found dead, Darla discovers that Hamlet may have been the only witness to what could be murder. With the crafty cat's help, she wonders if they just might be able to pounce on a killer... **Pressestimmen** Make sure the new Black Cat Bookshop series is on your bookshelf. Elaine Viets, national bestselling author of the Josie Marcus Mystery Shopper Mysteries "Brandon's light, easy style welcomes readers into the cozy confines of Pettistone's Fine Books. ... A fun mystery that kept me guessing to the end!"
