**Von Sara Lindley : A Papa for Peso (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Papa for Peso (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Super s!Von HelltigerFr Tierliebhaber eine wirklich tolle Story ber den kleinen Peso. Der stiehlt den brigen Beteiligten die Show. Auch wenn einige Dinge vielleicht historisch nicht so ganz passen knnen - egal. Es geht um einen kleinen Yorkshire-Terrier, der die Story gut flt. Die Liebesgeschichte zwischen seiner "Mama" und deren neuem Boss, der

gleich zu seinem "Papa" wird, ist recht ansant beschrieben - wenn auch sehr vorhersehbar. Alles in allem ein schner Spa fr zwischendurch.

Kurzbeschreibung Sam Kincaid didnt have a clue that when he went to town that day he would meet the two most important things in his life. There he was, minding his own business, when he spotted a varmint pissing on one of his crates of supplies he just bought. He had never seen anything like it before in his life. It kind of looked like a rat but it had long hair. Plus, it had the gall to just walk up to his crate of food supplies and hike a leg. Sam was going to shoot the Coyote bait when the most beautiful woman he had ever seen yanked the varmint up and ran for her carriage yakking away in an English accent. It was then he knew exactly who she was. He would let her know right off just what he thought of her varmint pissing on his food stuffs. Sam Kincaid had the stupidest argument with Dr. Lady Katherine Hawthorne in the middle of the street and had the time of his life. By the end of their fight he let her know exactly who he was and that he knew exactly who she was. He was Sam Kincaid, the owner of the Circle K Ranch and she was his newly hired large animal Vet from Yorkshire, England. He left her standing in the street questioning his sanity and after she had come all this way finally getting a job in the American west as a Vet, she wondered now if she still had a job. Sam felt he had gotten her goat! Who in the hell did that woman thinks she is? But what he didnt realize as he laughed at their argument, the beautiful Vet and her Yorkshire Terrier, Peso had just started wiggling their way into his heart. He was a logical man. A good business man. A man of no nonsense. And the moment Lady Doc enters his life, she takes him on a crazy ride with their final destination being love. Love between a man and woman, love between friends and family and the love of a little Yorkshire terrier called Peso.
