Von Julie Lessman : A Passion Most Pure (The Daughters of Boston Book #1): A Novel before purchasing it in order to gage whether or not it would be worth my time, and all praised A Passion Most Pure (The Daughters of Boston Book #1): A Novel:

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Passion at its FINEST!Von Kindle CustomerFaith thought she knew her sister- until she finds her in the bushes with the man

Faith loves. From page one the rift can only grow wider as these two sisters battle for the same man. The trials in this Irish American family only escalate as loving sisters turn on each other, their love for the same man bringing out the absolute worst in their relationship. Pushing all involved to the breaking point. This was my first book by Julie Lessman and I was not disappointed. This book is long, 477 pages and I didn't know if she could hold the tension through the entire novel. I was never bored during one page during the story. There were times I felt I was eavesdropping on the characters, my heart breaking at times and others so mad I could have throttled one or two myself. There is something to be said of an author who draws forth a reader's emotions, Julie knows how to wield that all too fine tool and does it masterfully. This book certainly does seep passion from nearly every page, albeit appropriate, nothing sensual, but she knows how to spark the imagination and captivate the reader into the story. Never was I sorer to see a book come to its end. I am so glad there is a sequel!

0 von 0 Kunden fanden die folgende Rezension hilfreich. AMAZING!!! Von Megan Julie Lessman is an AMAZING author! I can't believe that this is her debut novel! Let me tell you, it is a book that you will not want to put down - so make sure that you start it when you have enough time to finish it in one sitting!

Faith O'Connor is a woman who has a strong faith in the Lord. A faith that was forged by the many trials she had to face as a young child, such as her twin sister dying from Polio. Faith was stricken with the same disease and was near death, but she survived and the only thing that remains is her slight limp. Colin McGuire is the man that Faith has had a crush on since she was young, but no one knew - least of all Colin. So when Colin began dating Faith's younger sister Charity, sparks flew - in more ways than one!

With sister set against sister and WWI fast approaching, will this family survive? I fell in love with these characters almost immediately and, by the time I reached the end, I wanted to pick up the next book right away - unfortunately for me, I had to wait almost a year to do it! The twists and turns in this novel are fantastic! I highly recommend that you read 'A Passion Most Pure' and make sure that you have 'A Passion Redeemed' ready to pick up as soon as you finish it!

4 von 5 Kunden fanden die folgende Rezension hilfreich. catholic evangelizing Von blablubb The story starts really promising, and of course I wanted to know if Faith gets her crush. BUT - a few pages into the story, the author starts with people who permanently pray, read the bible, and spread their convictions like that it is mandatory for a truly happy marriage that both spouses have to have faith in God. Faith, both her parents and their blind neighbor, who are all good, friendly and loving people spend pages on thoughts about this subject. The "villain" in this story doesn't believe in God, and at least three people make it to the bright side by letting themselves be evangelized by either Faith or her neighbor. If you are completely on the Christian trip this may be a nice story. All other might get a toothache.

Kurzbeschreibung Refusing to settle for anything less than a romantic relationship that pleases God, Faith O'Connor steels her heart against her desire for the roguish Collin McGuire. But when Collin tries to win her sister Charity's hand, Faith isn't sure she can handle the jealousy she feels. To further complicate matters, Faith finds herself the object of Collin's affections, even as he is courting her sister. The Great War is raging overseas, and a smaller war is brewing in the O'Connor household. Full of passion, romance, rivalry, and betrayal, A Passion Most Pure will captivate readers from the first page. Book 1 of the Daughters of Boston series.
