**Von Sophia Nash : A Passionate Endeavor (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Passionate Endeavor (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen3 von 3 Kunden fanden die folgende Rezension hilfreich. Ein ungewhnlicher Regency!Von LoveLetter MagazinDie 27-jhrige Charlotte Kittredge hat ihre Lebensaufgabe darin gefunden, ihrem Vater, einem Arzt, bei seiner Arbeit zur Hand zu gehen. Dann kehrt Nicholas Huntingdon, der ltteste Sohn ihres derzeitigen Patienten, aus dem Spanienfeldzug zurck, um seinen todkranken Vater noch einmal zu sehen. Nicholas hat selbst eine schwere Beinverletzung, und whrend Charlotte ihn pflegt, erkennt sie, dass sie sich nur allzu leicht in ihn verlieben knnte. Natrlich ist es unmglich, dass dieser gutaussehende und edle Lord umgekehrt auch nur

einen Blick für eine alte Jungfer wie sie brig haben könnte. Doch Nicholas scheint sich tatsächlich auch zu ihr hingezogen zu fühlen. Aber dann erfährt Charlotte, dass Nicholas geschworen hat, niemals zu heiraten. Trotzdem bietet er ihr nach dem überraschenden Tod ihres Vater den Schutz seines Namens an. Doch Charlotte weiß, dass ihr eine Zweckehe niemals gengen kann ...Ein ungewöhnlicher Regency, der sich nicht scheut, ernstere Themen aufzugreifen. Charlotte und Nicholas haben beide Erfahrungen machen müssen, die ihr Selbstvertrauen bzw. ihre Selbstachtung zutiefst erschüttert haben. Erst mit der Hilfe des jeweils anderen können sie wieder Zutrauen zu sich gewinnen und endlich den richtigen Weg für sich finden. Die Beziehung der beiden ist im brigen deutlich erotischer geschildert, als man es von einem traditionellen Regency gewohnt ist. Das Buch ist vielleicht nicht so heiter, wie man es sonst aus dem Genre kennt, und es ist auch etwas zu kurz, um alle angeschnittenen Themen befriedigend abhandeln zu können. Aber Leserinnen, die einen schön geschriebenen und nicht ganz traditionellen Regency suchen, werden sicher ihre Freude daran haben. 3 von 4 Kunden fanden die folgende Rezension hilfreich. Sophia Nash breathes life into her characters. Von Detra Fitch Set in 1814. Lord Nicholas Huntington returns home wounded from the war in hopes of seeing his father who is near death. His father continues to live thanks to Dr. Kittridge, the most talented physician in all of Europe. As the good doctor cares for his father, the doctor's daughter takes care of Lord Nick. All Lord Nick wishes to do is return to the war and leave everything else to his half brother, Lord Edwin. Dealing with his stepmother and Edwin is just more than Nick can seem to stomach. Miss Charlotte Kittridge is proud to be her father's nurse. She knows she is not pretty and accepts that she is long past her prime. She wants only to learn from her father and help care for his patients. When Lord Nicholas arrives unconscious and then slightly delirious, she jumps into her nurse role, even against her patient's wishes. Charlotte is attracted to the man, but keeps her distance and treats him like any other patient. She and her father are kept busy tending the two lords. Yet Fate gives them an added burden anyway. Charlotte's cousin, "Alexandre" Lord Gaston, arrives in all his flirting glory. Lord Nicholas finds his eyes searching out Miss Charlotte far too often. Her delicate touch and intelligent mind keeps him fascinated. Even though he is drawn to the lady, he must keep his distance. He promised his father that he would never marry. Yet seeing Alexandre vie for Charlotte's passion is just too much for him to handle. \*\*\*\*\* Once again author Sophia Nash entices readers to lose themselves within her latest regency novel. And once again I find myself extremely glad that I did. There is much more going on than I am able to reveal without spoilers and quite a few more characters, each with their own unique personality. The people are so believable that I feel as though I actually know them. Sophia Nash breathes life into her characters in a way so few authors can. Highly recommended reading. \*\*\*\*\* Reviewed by Detra Fitch of Huntress Reviews.

Kurzbeschreibung Wounded in the war, Lord Huntington returns to his family estate only to find his father ill and the duchy in dire straits. Little does Nicholas know that the young nurse tending his father is capable of unlocking the burdens that plague his soul. Yet when he takes Miss Charlotte Kittridge in his arms and tastes desire, all chance of lasting happiness is dashed by the secret promise he's vowed to keep. A spinster with seven and twenty years in her dish and no dowry, Charlotte Kittridge knows that her life will be devoted to duty. But as the daughter of an aristocratic French mother lost during the revolution, and a respected doctor, Charlotte cannot help but fall in the love with Lord Huntington during their passionate endeavor to change the course of his fate. Charlotte and Nicholas must wager all and come to terms with their secrets and desires if they are to succeed in their quest for love and happiness.
