CuteVon Je Halt is a really cute written book but it`s not on the list for telling my friends to go and read it directly.Nothing too special for my taste.0 von 1 Kunden fanden die folgende Rezension hilfreich. Wie immer nett...Von Birdie... aber nicht das beste Buch von der Autorin. Die "Auflsung" ist irgendwie zu einfach und auch nicht so zu hundert Prozent

nachvollziehbar. Aber man kann halt auch als top-Autorin (bzw. die meinen Geschmack sehr gut trifft) nicht jedes mal direkt ins Bull's Eye treffen...0 von 0 Kunden fanden die folgende Rezension hilfreich. Catchy and gripping!!! Von Simona Elena I absolutely loved Lucys debut novel The Greatest Love Story of all Time and I couldnt wait to read this one. I loved it from the start!!! Charley Lambert is our charming and funny heroine in this one. She is very committed to her work and she also has a site called First Aid Love, where she ghostwrites for other women. Such a funny idea, I loved it! For years she wanted to be with her boss John MacAllister. Well, lets say they have a passionate past, a complicated present and an unsure future. It was great reading about them, the emails they exchanged and they way they were with each other. I didnt quite get John though and that made him mysterious and secretive. I was curious where their relationship was going to lead. Then there is Sam, Charleys awesome flatmate. I quite liked him from the start, he was funny, a great friend and much more. Their friendship was something special from the start. Charley also had a deep connection to her family, which I really adored. Now, lets get back to the ghostwriting: Shelley, one of Charleys clients wants her to email William, a gorgeous doctor and Charley starts writing him. She sees herself falling for him. All she wants is to get to know William better and get him for herself. She even follows them on their first date. Then, the big surprise: William has paid a ghostwriter as well and Charley knows him really well not telling you more here ;) I kind of felt it from the start though. She is convinced though that shes not in love with that guy. When he finds out himself, they get together and try to please William and Shelley. It takes Charley quite a while to realise her real feelings, because there is still John (his story is revealed as well) and there is NO way he loves her back. I loved reading about her emotions and feelings. The scenes between her and HIM were brilliantly written and full of fun. I couldnt put the book down, because I just wanted to find out how it ends! The ending is truly adorable and cute. Love can be really difficult sometimes and it takes time to find out who is the one for you. An amazing story, so gripping, catchy, fun and much more!!! Go read it now, Lucy is such a talented writer.

Kurzbeschreibung A Passionate Love Affair with a Total Stranger by Lucy Robinson, author of The Greatest Love Story of All Time, is a hilariously funny and gorgeously romantic story about falling in love when you least expect it. Charley Lambert has worked hard at creating a perfect life. She has an aspirational flat, a job of international significance and a very good pair of legs, thanks to a rigorous health and fitness regime. Best of all, her boss has asked her out after seven years' hard flirting and a covert fumble in a mop cupboard. Then she breaks her leg in three places, watches her boss propose to someone else and - horror - is forced to hand over her job to her nasty deputy. Charley, a certified workaholic, fears that she will go mad. Dangerously bored, she starts helping people who are talentless at internet dating. Then William arrives in her inbox and rocks her world. Helpless, she watches herself fall in love with him and discovers she's not who she thought she was. But can she turn her back on her old life - all for a total stranger? Laugh out loud and fall in love with Lucy Robinson's A Passionate Love Affair with a Total Stranger. Praise for Lucy Robinson: 'Charmingly fun with bags of romance and laughs' Closer 'Refreshingly funny' Star 'One of Britain's most talented rising stars' Huffington Post 'Romantic and laugh-out-loud hilarious' Cosmopolitan 'Prepare for public-transport belly laughs' Glamour Lucy Robinson is the author of The Greatest Love Story of All Time, A Passionate Love Affair with a Total Stranger and The Unfinished Symphony of You and Me. Lucy worked in theatre and then television documentaries before starting a blog for Marie Claire about her laughably unsuccessful foray into the world of online dating. She did not meet a man during this time but she did become a novelist: every cloud has a silver lining. She now lives in Bristol with her partner, The Man, whom she met when she took off to Buenos Aires to become a bohemian writer in 2010.
