whether or not it would be worth my time, and all praised *A Perfect Blood with Bonus Material (The Hollows)*:

Kurzbeschreibung Ritually murdered corpses are appearing across Cincinnati, terrifying amalgams of human and other. Pulled in by the FIB to help investigate, former witch-turned-day-walking demon Rachel Morgan soon realizes a horrifying truth: others want to create their own demons, and to do so they need her blood. She's faced vampires, witches, werewolves, demons, and more but this time Rachel's toughest challenge might be humanity itself. **Pressestimmen** Harrison's colorful cast of supporting characters keeps the story moving among the fast-paced action scenes. Longtime fans will obviously be standing in line for this one. However, readers with any interest in urban fantasy can easily jump into the story. (Library Journal) With the end of this popular series coming soon, fans will be savoring the remaining episodes all the more, and those who have delayed entry will begin jumping on board. (Booklist) The pace and tone of *A Perfect Blood* reflects its protagonist: a little more cautious, reflective and purposeful, and the book is more powerful as a result. Harrison provides the strongest and most self-assured Rachel we've seen yet. (Miami Herald) Kim Harrison has created a popular series that captures the imagination.
