Von Samantha James : A Perfect Bride (Avon Historical Romance) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Perfect Bride (Avon Historical Romance):

KundenrezensionenHilfreichste Kundenrezensionen1 von 2 Kunden fanden die folgende Rezension hilfreich. good entertainmentVon Ein KundeThough the plot of the story really wasn't probable (what marquess would take an evil-smelling girl from the slums of London in one of his guestrooms and tend for her himself!), the author made a good read out of it. The main characters weren't quite the usual types in regencies and I found it most entertaining, how Samantha James created a sizzling story only by painting their fantasies. But no fear, eventually the couple shared the bed - the greatest threat to the happy ending!

KurzbeschreibungThe incomparable USA Today bestseller Samanth James cordially invites you to Regency England for a Sterling affair . . .Perfectly MarvelousDevon St. James must surely be dreaming! She closes her eyes in London's poorest slum, and awakens wrapped in fine linens . . . staring into the eyes of the most gorgeous man she has ever seen! Sebastian Sterling, marquess of Thurston, is clearly shocked to have a girl from the streets in his bed, though the heat of the desire burning in his gaze is unmistakable. But if he believes Devon will easily submit, he is quite mistaken!What the devil has he done? It's bad enough their family is already mired in scandal, now Sebastian has to deal with the exquisite young beauty in rags he had impetuously carried into his home! Worse still, the lady is driving the serious, responsible marquess to distraction with her fiery spirit and breathtaking sensuality. But perhaps, just perhaps, with some of Sebastian's private schooling, this low-born enchantress can learn refinement and mannersand be miraculously transformed from merely his passionate obsession into . . .A Perfect BrideKurzbeschreibungThe incomparable USA Today bestseller Samanth James cordially invites you to Regency England for a Sterling affair . . .Perfectly MarvelousDevon St. James must surely be dreaming! Among her favorites in those days were the Trixie Belden and Cherry Ames series of books. She still loves a blend of mystery and romance, and, of course, a happily-ever-after ending. The award-winning, New York Times and USA Today bestselling author of many romances and one novella, her books have ranged from medieval to Regency.
