Von Heather Tullis : A Perfect Fit (DiCarlo Brides Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Perfect Fit (DiCarlo Brides Book 1) (English

Edition):

Kurzbeschreibung Cami DiCarlo doesn't agree with her father that her life has been stuck in a rut, so she is not happy when he forces her hand into heading up guest services at his newest five-star hotel. The fact that he unveils the existence of four half-sisters at the same time, and insists that they live together while they launch the new resort, only makes things worse. When she meets Vince Talmadge, the sweet, sexy landscaper her father would never have approved of, Cami can't say no. If only she could be sure she is on the right track and that they will be able to stop the person who is trying to destroy everything she and her sisters are working to build.
