Smoothly done. Von Detra Fitch In April of 1912, Marjorie MacTavish was one of the few survivors when the mighty "Titanic" went down. Leonard, her fiance, went down with it. Marjorie believed her heart died with Leonard that tragic night. The only good thing about that cruise was that she met Loretta. It is now September, 1915. Marjorie may have been born in Glasgow and had poverty-stricken beginnings, but now she lives in San Francisco. Marjorie is the companion and secretary of Loretta Quarles. (A nine month, pregnant with twins, very outspoken, and wonderful friend.) The only draw back is that Loretta has a childhood chum named Jason. Though Loretta calls him "my friend", Marjorie calls him "the bane of my existence". But that is about to change. Though he has teased her for three years, Dr. Jason Abernathy is charmed by Marjorie and her soft brogue. When he learns she is in the cast of a local church's opera, he immediately joins as well. And when Lo Sing, his nursing assistant, needs the doctor to help the wounded in Chinatown after a tong war, Marjorie offers her pair of hands as well. Marjorie could not possibly know that she was about to enter the mess surrounding the Chinese Exclusion Act, a tong war, or a certain doctor's heart.**** Author Anne Robins (A.K.A. Alice Duncan) has another winner in this interesting tale set within San Francisco and its famous Chinatown. There is plenty of romance and suspense to keep you reading until the very end. As you read you will find out much about women's suffrage and the Chinese Exclusion Act. However, Anne Robins has blended it well into the story and you probably will not even realize you are learning something! Smoothly done indeed.

Kurzbeschreibung A New Life Rescued from the doomed Titanic moments before its sinking, stewardess Marjorie McTavish is determined to find happiness at last. The dear friends who stood by her on that fateful night have vowed to help her now, and Marjorie, ever hopeful, accompanies them to the bustling port of San Francisco to begin all over again, far from the gloomy slums of Glasgow. Anything is possible in America, it seems--especially romance... A New Love Dr. Jason Abernathy, dashing man about town, is beguiled by Marjorie's soft brogue and fresh charm. He has no way of knowing how much his gallantry delights her--or that his kindness to the less fortunate has already melted her heart. If the shy lass from Scotland would just say yes, he would consider himself the luckiest man on earth...
