Excellent!! I'm sorry I finished it!Couldn't out it downVon Melody Faith KlarWhen I get the chance, I love to read, I find it very relaxing. I enjoyed this book very much. The way Lori writes makes you feel like you are standing in the room with these people and I enjoyed getting to know each of the characters. It was a very enjoyable book. One I am

sure I will read again, and I will make sure I find the time to do it! It has a lot of Christian based principles, love and devotion and suspense, I like suspense!! I would like to read more books like this. TV has gotten so bad, it's nice to read something entertaining and uplifting without all the gore and violence.0 von 0 Kunden fanden die folgende Rezension hilfreich. I loved this heartwarming and charming story of loveVon Ein KundeI first read this book when I was about 13 years old, from the first chapter I was totally hooked. This was a very heartwarming story full of love, romance, family, humor, and suspense. I've read many books, but A Place Called Home is by far the very best I have ever read. It really touched me. It's the kind of book you just can't put down and when your finished you can read again and again. This book will always hold a special place in my heart. Thanks Lori Wick.0 von 0 Kunden fanden die folgende Rezension hilfreich. The best book I have ever read!!!!Von DorothyanneI have read a lot of Christian novels, and even have tried to write some of my own. Never before have I read a book so warm. It was so good that I cannot find the proper words to describe it. God was mentioned on almost every page in a personal way as if He was their best friend. The characters in the story were as real as any one of us right now. I love Lorie Wicks work more than any other author I have ever read. I can't wait to read more of her work.
