Von Samantha James, Sandra Kleinschmidt : A Promise Given before purchasing it in order to gage whether or not it would be worth my time, and all praised A Promise Given:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. The

prose is brilliant, the characterizations sheer genius. In 1306, Scottish clan chieftain, Ian MacGregor, heads to the lowlands to claim his bride, Margaret Kincaid, who he has been betrothed to since childhood. However, upon arriving at Dunleavy Keep, Ian finds himself attracted to Margaret's younger sister Sabrina. In spite of her efforts to be loyal to her sibling, Sabrina shares the attraction. Margaret suddenly vanishes, leaving the way open for Ian to claim Sabrina as his bride price. Though she begins to fall in love with Ian, Sabrina wonders if he is behind the mysterious disappearance of her sister. When the couple arrives at his castle, she hears rumors about the strange deaths of his father and stepmother. If she does not look inside the soul of the man offering his love to her, she will destroy their future happiness due to a few nasty murmurings by person or persons unknown. **A PROMISE GIVEN** is a beautifully written Medieval romance that will thrill fans of the sub-genre as well as historical romance readers in general. The mystery adds immensely to the fast-paced story line and the growing love between the lead protagonists serves as a brilliantly counterpoint to a terrific tale. Samantha James knows romance and with this novel she gives plenty of it to her audience. Harriet Klausner 0 von 0 Kunden fanden die folgende Rezension hilfreich. A story of passion, mystery and tenderness. Von Ein Kunde Sabrina and Ian have known each other since they were children, but Ian goes away for several years, and Sabrina is left feeling bitter because she believes he broke a promise to her. Ian is betrothed to her older sister Margaret, but when she disappears, he takes Sabrina as his bride. Needless to say, she is unhappy about this, but finds herself attracted to him anyway. I liked both of the characters. Ian is a hard man because of the battles he's been in and because of the mystery surrounding his father's death. Sabrina is a strong-willed woman who speaks her mind, something a woman of her time was not supposed to be. Their clashing personalities made for good reading. This is a story I'd read over and over again. 0 von 0 Kunden fanden die folgende Rezension hilfreich. **A Promise Given** Von All-access Customer This was the first Samantha James book I have ever read, and it will not be the last. I enjoyed the book from the very first page. It is a light read, good for a warm summer afternoon on the beach. As is typical of many romance novels, I did get annoyed with Sabrina's lack of faith in her feelings for Ian. All and all, the book was delightful, and I cannot wait to read another Samantha James story.

Kurzbeschreibung A Promise Given The proud head of his Highland clan, Ian MacGregor has returned, cloaked in secrets, to the place where he spent many carefree years, in order to marry Margaret Kincaid--the lowlands lass to whom he has been betrothed since his youth. But it is the wild spirited and hauntingly beautiful Sabrina Kincaid who catches Ian's eye. And when Margaret mysteriously vanishes, he willingly accepts Sabrina as his bride in her sister's stead. **A Promise Kept** Dutybound to honor her father's wish, Sabrina reluctantly agrees to wed the rugged chieftain--though she fears the rumors of Ian's dark past. . .and the whispers that now blame him for Margaret's disappearance. But her sensuous soul bids her to pay no heed to her doubts and mistrust, and to submit instead to the searing passions that burn within her. For Ian's stirring yet tender caress speaks of a noble, gentle heart. And if peril is Sabrina's fate, so be it--for she is determined to learn the truths that will set them both free and carry them aloft together on the wings of incomparable love. .de **The Scottish Highlands** provide just the right background for the mystery and romance found within this enchanting romance. Sabrina is stunned when her older sister Margaret is missing and presumed dead on the morning of her wedding. Margaret has been betrothed since childhood to highland chieftain Ian MacGregor. When Ian claims Sabrina in Margaret's stead, the two aren't prepared for the passion that flames between them. But they have quite a few obstacles in their path before they will be able to claim happiness, one of whom is Jamie, the man Sabrina believes she loves and to whom she has secretly promised herself. **Kurzbeschreibung A Promise Given** The proud head of his Highland clan, Ian MacGregor has returned, cloaked in secrets, to the place where he spent many carefree years, in order to marry Margaret Kincaid--the lowlands lass to whom he has been betrothed since his youth.
