**Von Lynsay Sands : A Quick Bite (Argeneau Vampire)** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Quick Bite (Argeneau Vampire):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A very good start for this seriesVon Night MoonI liked this book very much with it's up and downs. And how the author

captures you to read on. I read it in German and in English and I have to say the English one is a tick better. I am already happy what's waiting for me in the second book.0 von 0 Kunden fanden die folgende Rezension hilfreich. Lucern's little sister finally get her turn!Von Deborah MacgillivrayLynsay is back with another long-awaited Argeneau tale, and new sexy updated cover instead of the cartoon ones. New Publisher, the vamps are no longer with Dorchester. They're now put out by Avon (though Dorchester will continue to do her Historicals). Originally, this was the very first Argeneau tale in the series, not Single White Vampire (Lucern's tale). So it's great to finally get Lucern's little sister's story. As followers of the series know, the Argeneau vamps are the modern day, intelligent sort, who know feasting in the wild can get "blood" with all sorts of problems. In order to skip all this rather mundane ugliness, they've invested in blood banks that see them supplied with a full range of "flavors" and blood that is safe! Only, Lissianna really has trouble with this popping her fangs into a blood bag and having a quick munchie. So Mama Argeneau sets out to give Lissianna the perfect present - one sexy male tied up and waiting. Well, Lissianna wants Mr. Right, not just Mr. Available. She's tired of her vamp immortal life, and would like someone to share it with. Lissianna has other problems, such as her fainting at the sight of blood, an annoying trait for a vampire. For a Birthday gift, Mama has gone out and fetched Dr. Gregory Hewitt, used mind control to get him to tuck himself up in the trunk of her car, and now has him tied up nekkid on Lissianna's bed. Wouldst that all mums were so obliging on birthdays!Greg was planning a much-needed vacation. The last he recalls is leaving the office and planning on getting away. Instead, he wakes up in a stranger's bedroom. Well, he's male - this cannot be all bad. Okay, she's a vampire romance may be a bit difficult to work out, but to quote Joey Brown in Some Like it Hot, "nobody's perfect."A great tale which you can sink your fangs into! Expect Vincent Argeneau sometime after the first of the year. Keep 'em coming, Lynsay!4 von 4 Kunden fanden die folgende Rezension hilfreich. Ein Vampir mit BlutphobieVon SabrinaLissianna Argeneau hat ein Problem: Sie kann kein Blut sehen. Fr einen Menschen kein allzu groes Problem, fr einen Vampir schon. Lissi kann ihre Nahrung nur direkt vom Menschen bekommen, nicht von der Blutbank, wie es unter Vampiren schon seit Jahrzehnten blich ist. Lissi's Mutter will Abhilfe schaffen und kidnapt Dr. Greg Hewitt, der mit der schnellen und erfolgreichen Behandlung von Phobien fr Aufsehen sorgte. Und so findet Lissi an ihrem Geburtstag ein ganz besonderes Geschenk vor, den Doktor, an ihr Bett gefesselt, vllig verwirrt angesichts der Tatsache, dass er sich ohne Gegenwehr in diese Situation hat bringen lassen. Greg und Lissianna finden schnell Gefallen aneinander, was die Situation verkompliziert, wie auch die Tatsache, dass Greg nicht so einfach zu kontrollieren ist, wie andere Menschen, und nach und nach erkennt, was im Haus der Familie Argeneau wirklich vor sich geht."A Quick Bite" ist ein witziger Vampirroman, der nach und nach immer spannender wird und an Tiefe gewinnt. Lissi und Greg sind sympathische Hauptpersonen, deren Aktionen glaubhaft bleiben. Auch die Nebencharaktere berzeugen und sind interessant. Zeitlich gesehen liegt "A Quick Bite" vor "A Bite To Remember" aus derselben Reihe, das ich zuvor gelesen hatte, da aber spstestens auf Seite 20 klar sein drfte, dass Lissi und Greg zusammenkommen, wird auch nichts verraten, wenn man die Bcher in der falschen Reihenfolge liest.

KurzbeschreibungThat hot guy tied to Lissianna Argeneau's bed? He's not desserthe's the main course!Lissianna has been spending her centuries pining for Mr. Right, not just a quick snack, and this sexy guy she finds in her bed looks like he might be a candidate. But there's another, more pressing issue: her tendency to faint at the sight of blood . . . an especially annoying quirk for a vampire. Of course it doesn't hurt that this man has a delicious-looking neck. What kind of cold-blooded vampire woman could resist a bite of that?Dr. Gregory Hewitt recovers from the shock of waking up in a stranger's bedroom pretty quicklyonce he sees a gorgeous woman about to treat him to a wild night of passion. But is it possible for the good doctor to find true love with a vampire vixen, or will he be just a good meal? That's a question Dr. Greg might be willing to sink his teeth into . . . if he can just get Lissianna to bite.From Publishers WeeklySexy blond Lissianna Argeneau takes center stage in Sands's disappointing new entry in her popular Argeneau series (Single White Vampire, etc.) about a Canadian vampire family. For Lissianna's 30th birthday, her mother brings her what she considers the perfect birthday present: a psychologist, Greg Hewitt, who can cure her fear of the sight of blood so she can feed off blood-bank bags like a civilized vampire rather than from random humans. The night doesn't go as planned when Lissianna takes a romantic liking to the good doctor. Worse, the clan has trouble controlling his "strong mind" and erasing his memory of the family, putting their secret in jeopardy. Though the love scenes hit an erotic high note, the quick courtship between Lissianna and Greg is serviceable at best, and the first half of the thin plot moves like molasses as Lissianna explains... and explains... to Greg how the vampire race operates. In addition, lines like "They were all looking just as blank as she felt" can make for a clunky read. Copyright Reed Business Information, a division of Reed Elsevier Inc.
