Von Janette Oke : A Quiet Strength (Prairie Legacy Book #3): Volume 3 before purchasing it in order to gage whether or not it would be worth my time, and all praised A Quiet Strength (Prairie Legacy Book #3): Volume 3:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Heartfelt and captivatingVon Sheri L. KetteringI just finished reading this book and could not put it down. As in all of Jeanette Oke's books she makes you feel as if you are a part of the story, and cry and laugh right along with the carracters. I could see a lot of myself in Virginia. It is much easier to give advice about how to let God lead your life then to follow

it sometimes. Realizing the difference between romantic love and true sustaining love in a marriage is not always easy. The story was very true to life as always. It is great the way that Jeanette even referred all the way back to the loss Marty suffered in *Love Comes Softly* of her first husband, while consoling Virginia. She always ties the history of her books together, but they are still understandable if you have not read the previous books! 0 von 0 Kunden fanden die folgende Rezension hilfreich. They just keep getting better and better.. Von Dorothyanne I read the first two stories in this series and loved both of them. The plight of young Virginia in the first, and the older Virginia in the second gave us a glimpse into the life of a girl in that time period, I'd say, around the turn of the century. This third book introduces us to an adult Virginia, a married woman, caring for an elderly grandmother and an abused child as well as her husband, her own child, and household chores. Life for her was not easy, but she had God by her side, and He is the only one who can give you the strength and endurance to make it through the tough times. This book was really inspiring, and I hope Ms. Oke takes pity on us and writes the next one soon. 0 von 0 Kunden fanden die folgende Rezension hilfreich. WOW! Von O.L.J.C. I loved the first two books, but this one is the best yet! Virginia has now grown up. At first I was sad that her teen-years adventures were over, but reading about her as an adult has been thrilling. So many things, including an abused child, her own children, a husband, struggles, and her grandmother, happen to her. Through the whole thing she realizes that her relationship with Christ is not what it should be. I think that this book has a great value to it!

Kurzbeschreibung Virginia must learn the heavenly source of strength through trials in this best-selling novel. **Kurzbeschreibung** Virginia must learn the heavenly source of strength through trials in this best-selling novel. **Synopsis** Virginia Simpson has endured her share of struggles on the Great Plains, but she faces more trials after she marries as she balances relationships in her household and tries to build a house with her new husband. **Simultaneous.**
