Wunderbare Geschichte mit Harry Potter PotentialVon eniburaraEs ist einfach schade, dass bestimmt Bcher nicht so vermarktet werden, wie andere. Alif the unsern ist ein fantastischer Mix aus Phantasie, Spannung und

Liebesgeschichte. Ein Scheich, der einen eigenen Satelliten besitzt und so den Hackerangriff der Staatsgewalt verhindern hilft. Ein Held der aus der Enge seiner Internetwelt in das Reich der Djinne reist und seine große Liebe erkennt. Ein bisschen etwas von Tausend und einer Nacht. Die Geschichte hat alles, was ein gutes Buch braucht. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Alif the amazing Von N.D. This book is simply wonderful. I loved the mixture of modern and old, east and west. It is an action adventure, fantasy story full of fantastic characters and relevant ideas. 0 von 0 Kunden fanden die folgende Rezension hilfreich. unique Von Egitto A great story between the modern hacker scene and the old djinn era. Very well written, loved the idea of the plot and couldn't put down the book once started

Kurzbeschreibung
LONGLISTED FOR THE WOMEN'S PRIZE FOR FICTION 2013
I will tell you a story, but it comes with a warning; when you hear it, you will become someone else. He calls himself Alif - few people know his real name - a young man born in a Middle Eastern city that straddles the ancient and modern worlds. When Alif meets the aristocratic Intisar, he believes he has found love. But their relationship has no future - Intisar is promised to another man and her family's honour must be satisfied. As a remembrance, Intisar sends the heartbroken Alif a mysterious book. Entitled The Thousand and One Days, Alif discovers that this parting gift is a door to another world - a world from a very different time, when old magic was in the ascendant and the djinn walked amongst us. With the book in his hands, Alif finds himself drawing attention - far too much attention - from both men and djinn. Thus begins an adventure that takes him through the crumbling streets of a once-beautiful city, to uncover the long-forgotten mysteries of the Unseen. Alif is about to become a fugitive in both the corporeal and incorporeal worlds. And he is about to unleash a destructive power that will change everything and everyone - starting with Alif himself. [Wilson] works magic... an exuberant fable that has thrills, chills and even more remarkably-universal appeal.' Janet Maslin, The New York Times
Pressestimmen "Brilliant. . . . Witty, imaginative and unorthodox in all senses." - The Observer (UK) "Wilson enchantingly creates the parallel universe of the jinn, living among us but unseen by most "children of Adam." . . . Richly rewards believers in the power of the written word." - Seattle Times "Wondrous. . . . Outrageously enjoyable . . . the energetic plotting of Philip Pullman, the nimble imagery of Neil Gaiman and the intellectual ambition of Neal Stephenson are three comparisons that come to mind." - salon.com "Delightful. . . . Wilson's geography is mapped out beautifully. . . . [Her lucid writing includes minute and lyrical details in every scene and moment This book is both timely and prescient." - rabble.ca
