KurzbeschreibungA dreaded trip to the grocery store takes a surprising turn for night school accounting major Morgan St. James who finds a crying toddler hiding on the bottom shelf of the cereal aisle. While keeping an eye out for his frantic parents, Morgan comforts the small boy. Accounting professor and CPA, Wentworth Langston is always calm and in complete control of every situation, until he loses his eighteen-month-old son, Nathaniel. Relieved beyond measure to find his child safe in the arms of a former student, Wentworth proposes an unorthodox plan. If Morgan agrees to move in and become Nathaniels nanny, he will provide free room and board and double Morgans retail salary. When he accepts Wentworths offer, Morgan had no idea how hot and fast sparks would fly once Nathaniel was tucked into bed. Introduced to corner time and bare-bottom spankings, he may have finally found the dominant man of his dreams, but can Morgan make Went see him as anything more than Nathaniels nanny?
