KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Ganz nettVon leser66Nette Unterhaltung. Manchmal pltscherte es mir zu ereignislos dahin. Ansonsten aber gut zu lesen - nichts Anspruchsvolles, einfach sehr leichte Unterhaltung.0 von 0 Kunden fanden die folgende Rezension hilfreich.

Nice to read Von iHeartBooks I have read her Fools Rush in before. All her books are really nice, build up the surroundings, the people well. However I wish she would cut to chase a little earlier. Pages and Pages of getting up, going to work, going here, talking there sometimes make the story a bit stagnant. Still it is a sweet little story, full of positivity. The author describes the struggles of each of the central characters really well and how they overcome them.

Callie Grey has got a great job, a great man, and fingers crossed, a whopping great diamond then her boss/boyfriend gives her dream and her sparkly ring to someone else. Determined to show Mark he's made a huge mistake Callie sets her sights on a new man. The trouble is, Ian isn't the least bit impressed with Callie's wit and sparkling personality. Funnies always been Callie's thing. Never quite smart enough for her family she's relied on fun-loving spontaneity to get her through. Now Callie lets go, and falling among the stars, who will be there to catch her? a generous batch of laughs and a few well earned tears Chicago Tribune Pressestimmen "Higgins [offers] strong storytelling and a refreshing, sarcastic wit...thoroughly entertaining." - People Magazine "Well-placed flashbacks; snarky, snappy dialogue; and conflict both tender and traumatic will shove you into love with a perfectly irresistible array of imperfect characters.
