big screen. They decide to wed, but want to do it with a thrilling twist. This couple wants to go into the San Juan Mountains for canyoning, followed by an elaborate wedding with nature surrounding them and the stars above them. They hire Eli McCain of Thrillseekers Anonymous "TA" to make it happen. Eli and his TA partners have no problem with the canyoning. They are extreme-sports enthusiasts who have tackled every high risk adventure imaginable. Kite surfing on hurricane winds is minor stuff for these stuntmen. However, when it comes to arranging wedding, they are clueless. So they set up auditions to hire a wedding coordinator. Marnie Banks is thrilled to get the job. She has dreams of making connections in Hollywood and becoming THE wedding planner of the stars. Easier said than done, because Olivia and Vincent break up and make up almost daily. Even worse, Olivia keeps changing her mind on how she wants the wedding done. Then there is Eli. He may be the stunt coordinator and look like every woman's fantasy, but he knows next to nothing about the finer things in life. Still, whenever Marnie and Eli are together things heat up in the romance department. Then a freak storm comes up one night. Eli, Marnie, the wedding couple, and a chef are stranded on the wrong side of a ravine. They have only meager supplies and their lives become like a "Survivor" TV episode. But all the guests on the right side of the ravine have popped open the expensive champagne and are having the party to beat all parties! Sometimes it seems as though Life peels the lemons and rolls them in mud before giving them to you. But Marnie and Eli will find another way to make lemonade.***** This novel is a fun romp through the mountains with a side of adventure. Author Julia London has written an irresistible romance with some comic relief that will capture the imagination of all her readers. People who enjoy outdoor sports will especially enjoy this novel, where everything that could go wrong, does. Highly recommended! *****Reviewed by Detra Fitch of Huntress Reviews. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Vergnügliche Lektüre - Thrillseekers Anonymous Teil 1 Von LoveLetter Magazin Eli McCain ist Stuntman und betreibt nebenbei mit seinen drei Freunden noch den exklusiven Service "Thrillseekers Anonymous". Dieser veranstaltet nach Kundenanfragen atemberaubende Abenteuerreisen kombiniert mit den gefährlichsten Extremsportarten. Als das angesagteste Prchen in Hollywood einen Canyoning-Trip mit einer heimlichen Trauung in den Bergen verbinden will, gibt es nur eine Lösung: Eine Hochzeitsplanerin muss her. Marnie Banks hat während ihrer Arbeitslosigkeit zwar nur einen Schnellkurs absolviert, ist aber die einzige Kandidatin, die bei den Worten "Klettern" und "Wildwasser" nicht sofort die Beine in die Hand nimmt. Die Hochzeitsvorbereitungen verlaufen alles andere als reibungslos, ist die Braut doch eine waschechte Filmdiva. Marnie hat aber nicht nur mit zickigen Allren zu kämpfen. Sie verliebt sich ausgerechnet in Eli, der, nachdem seine Verlobte ihn knapp vor dem Altar sitzen lie, von Liebe nichts mehr wissen will. Und dann sind auch noch all ihre aufwändigen Planungen dahin, als sie mit Eli und dem Brautpaar nach einem Unwetter in der Wildnis von der Außenwelt abgeschnitten ist. Julia London präsentiert in ihrem neuen Roman die Glitzerwelt der Reichen und Schönen und nimmt die amerikanische Filmmetropole mit ihrem Starkult gehrig auf die Schippe. Die Mischung aus "Wedding Planner" und "Dschungelcamp" ist für mehr als einen Lacher gut. Die Liebesgeschichte zwischen Held und Heldin ist zwar nicht sonderlich herausragend. Dies machen allerdings die sympathischen Protagonisten und teils schrulligen Nebenfiguren wett. Sie garantieren eine vergnügliche Lektüre in diesem Auftakt einer neuen Trilogie. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Romantisch und liebenswert Von MI5Girl Mich hat die Geschichte berzeugt, obwohl es sicherlich leichte Kost und alles vorhersehbar ist. Die englische Sprache ist sehr gut verständlich, man lernt viele Wörter und Ausdrücke auf der Beziehungsebene kennen und zudem sind einige witzige Szenen und Dialoge enthalten. Konnte zum Schluss nicht mehr aufhören zu lesen. Empfehle das Buch jedem, der eine typisch amerikanische Liebesgeschichte lesen möchte und dabei dem Alltagsgrau entschwinden möchte.

Kurzbeschreibung Previously available as Wedding Survivor (Thrillseekers Anonymous series). When a wedding planners first gig teams her up with a sexy stuntman, will she crash and burn or be airlifted to love? Tall, lithe ex-stuntman Eli McCain may speak with a Texas drawl, but this modern-day cowboy prefers hurricane windsurfing to herding cattle. Along with three friends, he cofounded Thrillseekers Anonymous, an extreme sports club that caters to the ultrarich and superfamous. But when the club agrees to stage a huge and hugely profitable extreme sport-themed celebrity wedding, Eli gets furious; hes still bitter about getting jilted at the altar and wants nothing to do with veils or vows. Copper-haired chatterbox Marnie Banks dove headfirst into wedding planning after she was laid off from a dot-com start-up. The union of megawatt stars Olivia Dagwood and Vincent Vittorio may be her first solo wedding job, but it could make all her dreams come true: Shell make Hollywood connections. Shell finally move out of her parents house. And shell meet a decent guy, for once. But when the wedding turns from extreme to extremely disastrous, Eli and Marnie must work together against the elements, their bickering clients, and their own smoldering attraction to save the day. Will the sparks flying between them ignite into something real and passionate or will they both end up burned?
