Von Erich Maria Remarque : All Quiet on the Western Front before purchasing it in order to gage whether or not it would be worth my time, and all praised All Quiet on the Western Front:

Kurzbeschreibung One by one the boys begin to fall...In 1914 a room full of German schoolboys, fresh-faced and idealistic, are goaded by their schoolmaster to troop off to the 'glorious war'. With the fire and patriotism of youth they sign up. What follows is the moving story of a young 'unknown soldier' experiencing the horror and disillusionment of life in the trenches.

Pressestimmen "Perhaps the most famous book to come out of the war. No wonder Hitler banned it after he took power" (Michael Hodges Mail on Sunday) "Eighty years after it was first published, it is still the definitive book about not just the Great War but all wars" (Guardian) "The best-known novel of World War I and one of the most powerful of all antiwar novels" (New York Times) "Humane and haunting, this is the novel that set the standard for war fiction" (Irish Times) "Remarque's evocation of the horrors of modern warfare has lost none of its force" (The Times)

Werbetext A BBC Radio 3 full-cast dramatisation of one of the greatest war novels of all time.
