shook up Von Ein Kunde J.D. Carver learned life's tough lessons on the streets, so when an unexpected inheritance sends him to the Star Lake Lodge to claim his half, he's expecting trouble. Being greeted with open arms by the whole Lawrence gang - feisty Aunt Sophie and calm Uncle Ben, clearly off-limits Dru and her young son, Tate - just convinces him they're working an angle, and he's determined to uncover it. Even though a tiny part of him longs for the home-and-hearth life they have ...Dru's finally beaten her bad-girl reputation, and though life at the Lodge may not be exciting, she's fiercely protective of her quiet home. Hard-eyed J.D.'s ability to push all her buttons - some of which haven't been pushed in way too long - just proves how wrong he is for her. So why does her son hero-worship the guy? And why does her heart clench when he gets that "nose pressed against the candy shop window" look on his face?"All Shook Up" is maybe not the best of Susan Andersen's work so far, but it is definitely a good read if you enjoy her writing style. I have to recommend this book. There are just enough emotions and a little bit of crime to make this book anything else than boring. Try it! "Present Danger" and "Obsessed" are two books from Susan Andersen which you should read, too.

Kurzbeschreibung A Man With a Past When an unexpected inheritance sends J.D. Carver to the Star Lake Lodge to claim his half, he's expecting trouble. Being greeted with open arms by the whole Lawrence gang feisty Aunt Sophie and calm Uncle Ben, clearly off-limits Dru and her young son, Tate just convinces him they're working an angle, and he's determined to uncover it. But a tiny part of him longs for the home-and-hearth life they have. A Woman With a Reputation Dru's finally beaten her bad-girl reputation, and though the Lodge may not be exciting, she's fiercely protective of her quiet home. Hard-eyed J.D.'s ability to push all her buttons just proves how wrong he is for her. So why does her son hero-worship the guy? And why does her heart clench when he gets that "nose pressed against the candy shop window" look on his face?.deSetting: Contemporary Washington state Sensuality: 8 An unexpected inheritance that gives him a share of an eastern Washington resort lodge couldn't have come at a better time for J.D. Carver. He's fed up with his life in Seattle and heads for Star Lake Lodge expecting to be met with hostility from the other owners. What he finds is the warm and welcoming Lawrence clan. J.D. takes one look at beautiful Drucilla Lawrence and immediately wants her, while Dru says hello to the handsome carpenter and begins to hyperventilate. Neither of them are pleased by their instant attraction, for J.D.'s childhood spent in foster homes has taught him not to trust anyone, and Dru has purposely closed her heart to romance following an involvement that left her alone and pregnant. But J.D. is determined to claim his inheritance, and that decision compels him to remain at the Lodge, thus enmeshing himself in the Lawrences' daily life, especially Dru's. When unfinished business from his life in Seattle appears to threaten both him and the Lawrences, J.D. has to think fast before someone is killed. But could the threat to Dru's and J.D.'s hearts be even greater than the threat to their lives? Susan Andersen doesn't miss a beat in this refreshingly down-to-earth take on a man and woman hit with lust and love at first sight. City-bred and street-smart, J.D.'s character is every bit as on target as Dru's good-girl psyche, while the secondary characters are equally fascinating and well developed. All Shook Up is a perfect balance of romance, humor, and suspense.
