**Von B.G. Thomas : All Snug (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised All Snug (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Origineller Plot fr eine wundervolle RomanzeVon GelegenheitsleserDarauf muss ein Autor erst mal kommen: Zwei schwule Mnner wollen fr ihren jeweiligen Geliebten ein antikes Bett kaufen. Da sie gleichzeitig ihren Kaufwillen erklrt haben, muss ein Wettkampf entscheiden, wer es erwerben darf. Da es sich bei diesem "Kampf" um

unterschiedliche Aufgaben handelt, die Zeit in Anspruch nehmen, verbringen diese Fremden notgedrungen viele Stunden miteinander, so dass sie sich am Ende gar nicht mehr so fremd sind. Mr Thomas beschreibt diese Romanze so lebendig und zu Herzen gehend, dass ich mir vorgenommen habe, auch mal wieder in ein Antiquitätengeschäft zu gehen - vielleicht klappt's ja. Vielleicht reicht es aber auch, einfach dieses Buchlein runterzuladen. Es lohnt sich wirklich!!! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Nice but the end should be deleted Von Querleser It's a nice Story with likable characters. The end, i.e. the sex scene, should be deleted. It is rather uninspired and after both MCs had lots and lots of meaningless sex having sex without a condom is just plain stupid. And the first time as a bottom without lube or any stretching, just pushing in is just horrible. I wonder if the so-called "he" in the author information is a really young and naive "she" instead. Imagining the story ends with the MCs declaring their love and getting the desired bed for themselves, it would have been a really good short story. The bad sex in the end destroys much of the good story. Just skip the last few pages ... ;-)

Kurzbeschreibung Elliot and Shawn each want to buy the same one-of-a-kind item for Christmas as a very old and expensive antique bed as a gift for their lovers. But when they both arrive at the store at the same moment, the proprietor tells them to figure out between themselves who gets the bed. Elliot and Shawn decide to hold a contest: winner buys bed. And so the competitions begin, from selling charity tickets to cleaning out stables, and interpersonal tension and burgeoning attraction mount as the days until Christmas pass. But who deserves the gift more: Elliot, who can afford the expensive gift for his casual sex partner, or Shawn, who can barely cover rent, and the mysterious man he's head-over-heels for?
