Freaking WOW! Von Lena Ribka LOVE LOVE LOVE LOVE!!!! What an AWESOME series! I LOVED this book! Its a hot, beautiful romance! If you admit to be addicted to read about rich, self-confident, sexy billionaires, than you have to READ THIS SERIE!!! After reading the first book I just had to purchase this one because I was addicted! I started reading the first book and once I finished it I realized that I needed to read the next installment and I just couldn't put it down... I have been drawn to this type of story line since 50 Shades and Bared to you and can't seem to get enough. Yes, I know it is not easy to bring something new in this kind of stories or to surprise you with some new twists. BUT! I can assure you that Olivia Thorne did it!!!! And she did it BRILLIANT!!!! I absolutely love her writing style and the first person POV! It is original, witty, playful, funny and sexy. It is like sitting and talking with a girlfriend. I am absolutely in love with Connor Brooks alias Templeton, the richest man of. doesnt matter. He's a super successful controlling self-confident alpha male but at the same time he is very romantic, tender, generous and OMG sooooo HOT! I like his s ironical sense of Humor; I like almost everything about him. NO, he doesnt tie Lily to the bed to take her hymen!!! First of all- she is not a virgin!!! Thanks god!!! And secondhe is very gentle, tender, he gives no order like come nowhe is .OMG I wanted to crawl into the book to be on her place!The sex scenes are not only hot, they are AMAZING, TASTEFUL, GREAT, the chemistry between Lily and Connor is UNBELIVABLE! I like Lily, she is so real, so natural and I love the sense of humor that Lily has.This is a super smutty, super sexy full on erotica read with a really good story which kind of took me by surprise.Now I am a fan of Olivia Thorne forever!!!0 von 0 Kunden fanden die folgende Rezension hilfreich. Good storyVon Kat E LIt's really a good story line, and the descriptions are on point. And I have gone back and retread almost the entire book, I can recommend it to anyone.
