beauty. She is just your average girl, not a big deal at all, that is until she awakens her "other" side, and some sexual encounters she least expected sent her down a path exploring her own deep, dark desires sleeping in the most unexplored realms in her mind. Texan beauty Sarah Atlas brings this short erotic novella to life. Fasten your seatbelt and be prepared to experience some heart-pounding thrills, some sensual strokes and rhythms, so breathtaking you will be roused to mental climax. Intimacy has never tasted so good on pages and though new to the publishing world, I have a feeling the world can expect great things from this author. This book was fast-paced, well-written, characters truly defined and grabs a hold of your attention until the very end. Sarah, well done.

**Kurzbeschreibung** When a single soft kiss comes from someone she least expects, Aleah Claytons dormant desires come to life, catapulting her on a tantalizing and mesmerizing journey of sexual awakening. Will her fantasies become reality? Can all the wrong choices lead to the right answer? This much is true **PASSION ALWAYS COMES WITH A PRICE** This book contains explicit material and is intended for mature readers. Join the story club at [www.sarahatlas.com](http://www.sarahatlas.com) to get Book 2 for free! I love everything about this book. What an amazing story of strength, beauty, and power. AL Penn I stayed up until 2 a.m. to finish this. It is a page-turner. It is **BRILLIANT**. JR LeinenOuch! These pages are hot!!!
