Von James Herriot : All Things Wise and Wonderful: The Classic Memoirs of a Yorkshire Country Vet (James Herriot 3) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised All Things Wise and Wonderful: The Classic Memoirs of a Yorkshire Country Vet (James Herriot 3) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.  
Erwartung erfüllt!Von Dagmar MostertIch habe das Buch für meine Tochter gekauft und sie ist absolut begeistert. Also habe ich richtig gewählt und gekauft.5 von 5 Kunden fanden die folgende Rezension hilfreich. Stories of War and PeaceVon Ein KundeThis the third book James Herriot wrote. The stories are of top quality, although James is reminded of a memory at the oddest times, including while flying an airplane. The book brings back the same beloved characters of Triston, Helen, Siegfried, Ms. Hall, along with a guest appearance or two by my favorite character, Grandville Bennett. The stories are funny, then sad, then touching and sad, then touching, sad, and funny, etc. Great quality, but the first book, All Creatures Great and Small, is, in my opinion, the best book Herriot wrote.1 von 1 Kunden fanden die folgende Rezension hilfreich. Schn nostalgischVon ZitronenmuffinIch habe früher die TV-Serie jeden Sonntag geguckt, in den 80er Jahren. Die Geschichten im Original zu lesen ist zum Glück recht einfach, im Gegensatz zu anderen Autoren. Die Landschaftsbeschreibungen, die originellen Personen, die selbstironische Art des Schreibens machen die Lektüre zum Vergnügen. Mittlerweile habe ich alle Bücher auf Englisch gelesen und hatte viel Spaß damit.

KurzbeschreibungThe third collection of memoirs from the author who inspired the BBC series All Creatures Great and Small. Training as an RAF pilot in the smoke and bustle of London is a far cry from James Herriot's day job as a country vet in the Yorkshire Dales. And while he is keen to serve Queen and country, James cannot help but miss his life in Darrowby despite frequent arguments between his colleagues, bad-tempered cattle and equally irritable farmers, and the continuing saga of Cedric the flatulent dog. But most of all he misses his wife Helen; pregnant with their first child. The question is constantly hanging over him will he be going to war? And when will he get to go home? Since they were first published, James Herriot's memoirs have sold millions of copies and entranced generations of animal lovers. Charming, funny and touching, All Things Wise and Wonderful is a heart-warming story of determination, love and companionship from one of Britain's best-loved authors.This omnibus edition comprises of Vets Might Fly and Vet in a Spin.Pressestimmen"James Herriot found a gentle, wise and often humorous way to write about animals and to evoke a beautiful but fading way of life in those Yorkshire Hills. He showed me how to focus not just on the animals, but on the people who lived with the animals, and their loving, sometimes difficult and very wonderful connections with one another. While he is known for his wonderful writing about animals, I often think of his ability to capture people. From the first, I've tried to capture that feeling, that uplifting and heartwarming style. I can't say that I have ever quite matched the writing of James Herriot, but he has always inspired me and given me something to aim for. He often makes me smile, sometimes makes me cry, you can't really ask more from a writer than that."--Jon Katz, "New York Times" bestselling author of "Second Chance Dog," "A Dog Year, A Good Dog," and many others"I recall reading "All Creatures Great and Small" many years ago, while working as a veterinary technician for a mobile vet in Los Angeles. We worked with cats and dogs, of course, but with farm animals, too, and apes and monkeys and angry pet raccoons, burros, crows, macaws- the variety of pets in Los Angeles was limitless. During that wonderful time, I'd be beaten senseless by a kangaroo, held hostage by a love-struck chimpanzee, chased by angry hogs, and sat on by a miniature horse inside of a well-known celebrity's home. It was a magical time, and it made perfect sense for me to read Herriot in the evenings, a grand fellow who'd roam the English countryside making veterinary house calls, effortlessly moving from draft horses to kittens, healing, telling stories. I felt a kinship with him and his magical world, and marveled at his talent for drawing me into his cast of characters. Later in life, when I too would write of my experiences with animals and their people, I would hearken to Herriot's Yorkshire Dales, and to prose so genuine that it would help inspire my own career as a writer and pet behaviorist. Herriot to me remains a superhero of sorts, who, in visiting home after home like some veterinary Santa, taught me how simple, heartwarming prose about people and their animals could rise above the commonplace, and become art."--Steve Dunno, author of "Last Dog on the Hill," "The Everything Cat Book" and "The Amazing Dog Trick Book"I recall reading "All Creatures Great and Small" many years ago, while working as a veterinary technician for a mobile vet in Los Angeles. behaviorist. Herriot to me remains a superhero of sorts, who, in visiting home after home like some veterinary Santa, taught me how simple, heartwarming prose about people and their animals could rise above the commonplace, and become art." --Steve Duno, author of Last Dog on the Hill, The Everything Cat Book and The Amazing Dog Trick Book  
Pressestimmen "Christopher Timothy played James Herriot in the beloved BBC series "All Creatures Great and Small." Here Timothy reprises his role as the young country vet in this third collection of Herriot stories....Sit back with a cup of tea as Timothy tells you funny, gentle and occasionally sad tales about characters such as local farmers with broad accents; the posh Mrs. Pomphrey, whose overfed Poermanian passes gas; and the Ministry of Agriculture officials, who rake James over the coals for inept form-filling. Timothy develops countless individual voices with different class accents, and all are perfect."--AudioFile
