**Von Deb Stover : Almost An Angel (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Almost An Angel (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Almost an Angel by Deb StoverVon Ein KundeThis book has it all. Adventure, romance, warmth, humor, and depth. The hero, Zach Ryan, is a recovering alcoholic who's just inherited a ghost town. When he arrives, he meets the one and only resident of Columbine, Colorado--Hilary Brown. Hilary was hanged for murder over a century ago, and she's

been waiting for someone to serve, in order to earn her way out of Transition and into Heaven. I've never seen time travel, the Afterlife, or a satisfying ending handled this well. Ms. Stover's love scenes absolutely sizzle, and I'll never think of chocolate ice cream quite the same way again. Alcoholism is handled without preaching, though the author's compassion for sufferers of this disease and their loved ones comes through loud and clear. There's also a character with a disability--the heroine's little brother. He's a joy and adds so much to the story! The love between the characters is touching, and it made me cry in places. I loved this book, and I will buy everything this author writes from now on. 0 von 0 Kunden fanden die folgende Rezension hilfreich. What a wonderful story.....Von Ein KundeDeb Stover, takes an engaging idea and weaves a wonderful story. The plot and Zach Hilary's story are worth reading. My biggest disappointment is in the writing itself. There was very little description, and the plot flies along. One minute Zach arrives in his deserted ghosttown, and the next day they are madly in love, declaring their undying devotion to each other. (Besides the fact that Zach thinks Hilary is certifiably crazy.)Ms. Stover also tackles the disease of alcoholism. This is a very tough topic, especially in a romance novel, and she does a commendable job. I don't know how accurate some of the ideas she portrays are (like getting someone to stop, and so vehemently, just by talking to them for a few minutes, it usually takes a bigger impetus than that), but the idea that she tries, is great. Showing Zach's fight against wanting to take a drink when things get bad, is heartwrenching. Definitely worth reading for a "pick me up".0 von 0 Kunden fanden die folgende Rezension hilfreich. Unique, Complex, and Deeply Romantic!Von Ein KundeDeb Stover never takes the easy way out with her books. She writes complex, unique stories that deal with sensitive, timely issues, yet she still manages to blend it all with humor and generous doses of steamy sensuality. Best of all, she peoples her books with strong, multi-layered characters--heroes and heroines not afraid to take risks and face their fears on the road to happily-ever-after. I loved ALMOST AN ANGEL, and I can't wait to read Deb's latest book, STOLEN WISHES (10/99).

**Kurzbeschreibung**Almost An AngelWhen Zach Ryan inherits an entire town in the Rocky Mountains, visions of ski resorts dance in his head. He quits his job, packs his gear, and heads for adventure, only to find a falling down ghost town so far off the beaten path scavengers haven't even discovered it. To make matters worse, the only inhabitants are the oh-so-tempting Hilary Brown, who claims she's a ghost, and an overgrown bear that wants to make Zach his next happy meal. Financially and literally stranded at 9,876 feet with winter approaching, Zach is in for a lot more adventure than he anticipated....Deb Stover's fun-filled romance story comes to life in this new edition with an all-new introduction!**Kurzbeschreibung**Almost An AngelWhen Zach Ryan inherits an entire town in the Rocky Mountains, visions of ski resorts dance in his head.
