Von Crystal Firsdon : Almost Wrecked (The Song Wreckers Book 1) (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Almost Wrecked (The Song Wreckers Book 1) (English Edition):

Allerdings hätte ich zwischen drin ein paar Mal beinahe das Lesen aufgehört bzw hab einfach Seiten berblütert, weil manche Szenen und inneren Monologe einfach total unnötig in die Länge gezogen wurden. Das Buche endet mit einem Happy End, allerdings wird nicht aufgelöst wer

"The Creep" ist. Dazu msste man wohl das nchste Buch der Reihe lesen.

Kurzbeschreibung1 creep. 2 bodyguards. 3 men who change Mollys life forever.Guitar player Molly Davis is taunted with disturbing gifts by some creep she hopes like heck is a harmless, misguided fan. The owner of the bar where her band plays isnt taking any chances, however, and hires Gabe Cooper and Caleb Ram Ramsey to stand guard over Molly and the rest of the band.Cooper is all business and doesnt mess with Mollys emotions. She can handle that. Ram is a different story. Hes gorgeous, has a good heart, and is sometimes infuriating. He doesnt take Mollys crap, giving him the potential to be the first man to shove his way through her stubbornness and into her life. But a violent attack proves the creep isnt going away. And that almost wrecks everything.Kurzbeschreibung1 creep. 2 bodyguards. 3 men who change Mollys life forever.Guitar player Molly Davis is taunted with disturbing gifts by some creep she hopes like heck is a harmless, misguided fan.
