Book 1}-AN ENTHRALLING SUSPENSEFUL ROMANTIC STORY. I so love standalone series. It is exciting getting to know the personalities of the characters and their back stories. The characters are powerful, sultry, their personas unique, and full of unexpected surprises. This story focuses on; Alex, a strapping, heart-stirring handsome bear-shifter and Alpha to the Glowstone Guardians; Susan, a curvaceous, bold, intelligent human beauty, and research assistant. What you'll find in this story; a remarkably cast of impressive and engaging characters, fantastic story-line, picturesque and dynamic vivid scene descriptions, phenomenal banter, gripping suspense, pent-up rage, action packed, gut-wrenching moments, camaraderie, earth-shattering toe-curling sensual romance, and a magnificent conclusion leaving you content and wanting more. Alex and his clan are protectors of the Glowstone Park. Poachers have been killing the elk that roam the forest free. Susan, a GIS tech has been sent by her boss Dr. Handley to track the elk, as his research is in danger due to their deaths. When Alex learns Susan is his fated mate, convincing her presents a challenge. Horrific danger lurks in the shadows of the park and it is after the shifters, and anything else that stands in the way. WOW/SPECTACULAR-fast paced well written creative read by a truly gifted author. The characters come alive with fantastic dialogue, thrilling action, and breathtaking scene descriptions that keeps you hooked from start to finish. The romance sizzles to a slow passionate burn, and Alex's devotion to Susan shines like a beacon. Susan's lion-hearted persona make her a most valiant heroine. You can't help but love and cheer for the awesome characters in this story. This was a most exhilarating read and I loved it. I look forward to reading the next book in this exciting series. If you treasure shifter romance this is certainly a terrific book for your library. In the world of shifter romance the possibilities are endless and always fascinating. Without reservations I recommend this book.

Kurzbeschreibung When now is all you have don't wait. A serious man ... Alex Paulson doesn't have time for romance. He's Alpha of the Glowstone Guardians bear crew, and poachers are killing protected animals in Glowstone Park where he and the crew work. But when GIS technician Susan Bentley is assigned to help him, he instantly recognizes the curvy human as his mate. He's found her at the worst possible time--but now that she's here, he can't let her go. A skeptical woman ... City girl Susan doesn't believe in fated mates. She escaped her controlling parents, and now Alex is telling her they're bonded forever? But no matter what she believes, the heat between them is too strong to deny. A lethal threat ... Then the poachers close in. Fighting for their lives, Alex and Susan are forced to make terrible choices. Will they lose each other just when they've finally found love?
