at them from the outside, they are far away from any solution for their mating. And they really try to talk and aren't that bad either, but hey, they are trying... ;-)

Kurzbeschreibung[Menage Amour: Erotic Alternative Paranormal Menage a Trois Romance, M/M/M, werewolves, vampires] Alpha Caleb Redding has spent 20 years trying to bring his first love back into his life. When he finally devises a plan, the Council of Elders agrees to it, but they add their own stipulations. In order for the mate covenant to happen, Caleb has to agree to give up his clan and alpha status, submitting to Grayson. Alpha Grayson Cane has watched Caleb from afar, never able to touch him or speak to him due to clan conflict. It's been a heartache that has stabbed at him for 20 years. When a peace treaty comes in the form of a mate covenant between their two clans, Grayson is all too eager to agree, especially when he learns that Caleb must submit to him. But when the vampire mediator sent to broker the peace agreement disappears, will their second chance at being together also vanish? And what happens when Grayson accidentally mates the vampire while trying to save his life? Will Caleb have to give up his clan, his alpha status, and his dream of being with Grayson? Or will being alpha born have its advantages? ** A Siren Erotic Romance
