itVon CustomerAlthough I loved the story it was kinda anti climatic especially when they lost their baby? How could this happen? I thought maybe she was a Shifter or something like that... And come her boyfriend just went with it? But glad that it was a HEA story

KurzbeschreibungHis blonde hair, the colorful tattoos on his porcelain skin, and his sparkling amber eyes were all intoxicating, conspiring to create a man who I couldnt get enough of.Kade's an Omega wolf who just happens to be a rock star. But when his second album is released to terrible reviews, he loses all his enthusiasm for going on tour. That changes when his newly hired bodyguard turns out to be his fated mate.Alpha Xander is thrilled to have found the man he's going to spend the rest of his life with. But he's still healing from the pain caused by a cheating ex. When Kade gets pregnant, he has to step up and become the father his new baby needs.Through a stressful tour, a heartrending kidnapping, and a thrilling rescue, Kade and Xander find that their love is tested beyond belief. Will the bond of the fated mates stay true?Find out if they'll find their happiness in this standalone novella with a HEA. No cheating, no cliffhangers. Inside, you'll find a precious shifter baby and plenty of sugar and spice.He smiled at me and put a small, sweet kiss on my forehead. "Im your Alpha, and Im going to protect you like I should.KurzbeschreibungHis blonde hair, the colorful tattoos on his porcelain skin, and his sparkling amber eyes were all intoxicating, conspiring to create a man who I couldnt get enough of.Kade's an Omega wolf who just happens to be a rock star.
