Paranormal Group on Goodreads.com\*\*\*Back with the Black Mesa pack and this time it's all about Rafe. Another guardian of the pack who got assigned to work with a young and flirty pack member. Sara is an easy-living woman. She doesn't worry much about her life and the men. But working together gets her thinking about this hot guardian who wants to respark their little fling. Another steamy wolf shapeshifter romance of the Black Mesa pack. I loved Rafe and Sara within sentences. I really enjoyed that the plot from the first book was kind of continued with having the rogues back in town and getting to know their motives for coming. Great book.

Kurzbeschreibung Book 2 of the bestselling Black Mesa Wolves series by USA TODAY bestselling author J.K. Harper "The chemistry between Rafe and Sara is blistering....The sex scenes were scorching. Overall, this was a great book. I can't wait to read the next book in the series." -Romancing the Book As a Guardian climbing the ranks in the Black Mesa Wolf Pack, Sara Kenyon's life is ideal. A sexy firecracker, she's never regretted her carefree love-'em-and-leave-'em attitude. But when her one-time fling, smokin' hot Rafe Bardou, wants the only thing she can't give him--commitment--she starts to question if freedom is everything she desires. Rafe's patience is legendary. Yet for all his strength and control, Rafe craves something he can't have: free-spirited Sara as his mate. Her red-hot kisses have eluded him for over a year, but he can't stop thinking about how they once tangled the sheets together. Now he's out of time. Her commitment to him is essential--not only for his own happiness, but for the future of the Pack. Losing control isn't an option. But it may be the only way to convince this sweet vixen he's her alpha wolf. Warning: hot springs and a dark alley are both defiled in this story. Read at your own risk.
